TOTALLY COOL

If you've ever been in a classroom in Willingham B at 1:30 or you've ever left the taunting coolness of the lunchroom to walk down a stifling hot unairconditioned Southwest Hall, then you know just how hot the summers are to which we've become accustomed. To the Seniors, Juniors, Sophomores who have had at least a year of the sweltering

and filed suit over the legality of the procedure the city officials used to get the bond issue on the Bibb County ballot. The debates and hearings of the issue became as hot as the classrooms themselves. Finally, a compromise was reached! The suit was dropped and Southwest was to be fully air conditioned during the summer of 1993. Our school was the first

classes, a day wiping sweat from your brow as you frantically try to keep your mind focused on your work instead of how hot and uncomfortable you are, is nothing unusual. We can all remember at some-

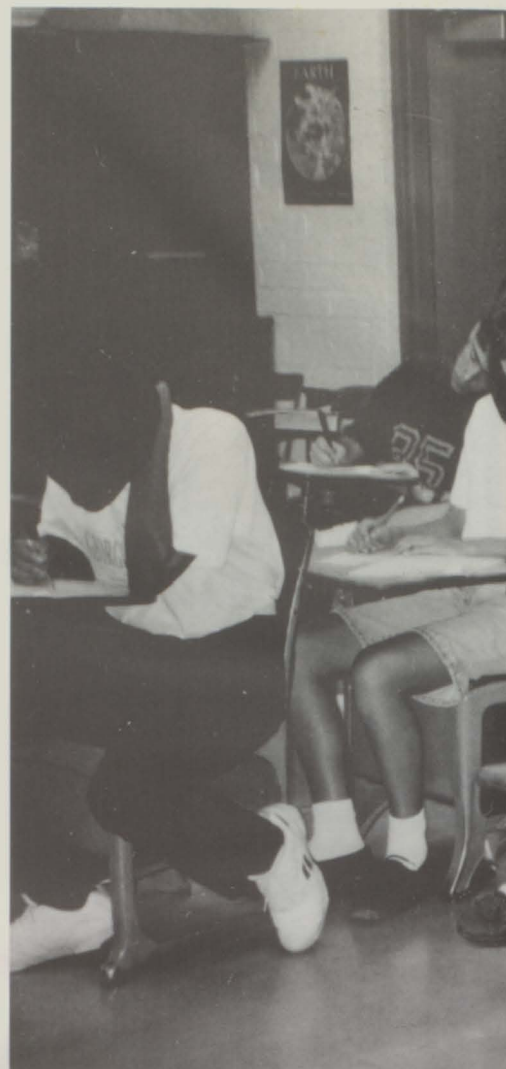

in a group of seventeen in Macon to be updated by the bond. Now, the talk that most students passed off as doubtful hopes has become a very chilling reality. The announcement that Southwest High School was

time sacrificing our only relief, fans, just to hear the teachers finish a lesson. Most of the students learn to bear it, the heat that is. When the controversial school bond issue was tied up in court for nearly five years, students never really felt there was any chance of the talk of air conditioning becoming a reality. The issue became tied up when members of the community protested

going to be air-conditioned completely before the return of the class of 1994, excited all of the Patriots.

The air conditioning of Willingham B will put our school where it belongs according to the standards of any modern, public school. We have long needed what certainly is no luxury, but a necessity in the South to make a school a good learning environment.

TOTALLY NEW

Although the building at Wil-
lingham B is not new, once the
air conditioning project was com-
pleted, there was a new appear-
ance to the classrooms. New
paint, new doors, new windows.
These things gave the campus a
feeling of newness.

Other new things at Southwest
included the Semester System.
Most Georgia
counties have
been on semes-
ters for years.
Bibb County de-
cided it was past
time to join
them. After
studying neigh-
boring Houston
County's system,
we made the
move. We had to
get use to differ-

ent grading periods and the idea
that spring semester would not
pull up a low, or failing fall se-
mester grade. Another new part
of the semester system was com-
prehensive finals in EVERY class!

93-94 introduced the new ISS,
or In School Suspension pro-
gram. Mr. Philip Oakley joined
the faculty in November to be in
charge of the program. Offenses
which had previously resulted in
suspension, now might send a
student to ISS instead. There,
they are isolated from the student

body, do assignments furnished
by their regular classroom teach-
ers, and remain totally silent. It is
a punishment without having
days out count against the stu-
dent.

Exit Exams were another new
experience for Bibb County stu-
dents. Tests in English, Math, So-
cial Studies and Science must be

taken in order to
receive diplomas.
The exam should
make students re-
alize the serious
need to study
hard and retain
information.

One of the best
new things for
Southwest was
the new band
uniforms. The
gorgeous red,

white, and blue uniforms made
the 93-94 school year Totally
New and Totally Cool!

SUMMER

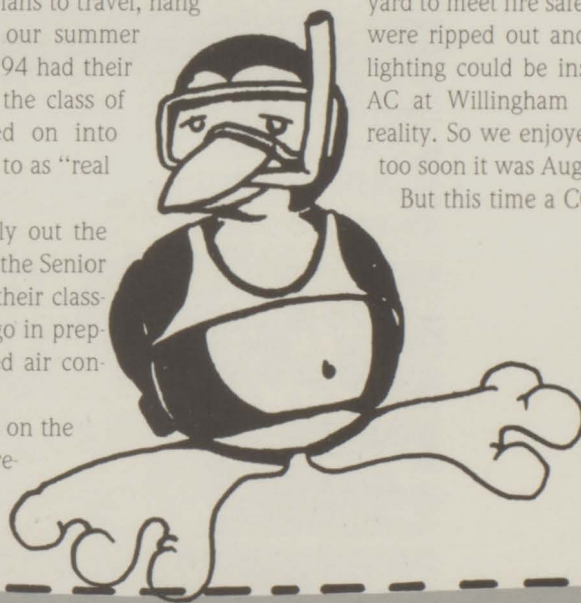

As of June 5, 1993 we were free for the summer. Many of us had plans to travel, hang out at the lake, or work our summer jobs. Some of the class of '94 had their Senior pictures made and the class of '93 graduated and moved on into what is constantly referred to as "real life."

The students were barely out the door when the teachers on the Senior Hall began moving out of their classrooms. Everything had to go in preparation for the long-awaited air conditioning.

Soon the workmen were on the scene. Old windows were removed and brick walls constructed in their

places. New doors were cut exiting into the yard to meet fire safety regulations. Ceilings were ripped out and lowered so that new lighting could be installed. It seemed as if AC at Willingham B would finally be a reality. So we enjoyed our vacation and all too soon it was August and back to school.

But this time a COOL school!

Totally Cool. . .In Our New UNIFORMS

At last, after several years of wishing, hoping, dreaming and a whole lot of hard work, new uniforms became a reality for the Southwest Marching Band.

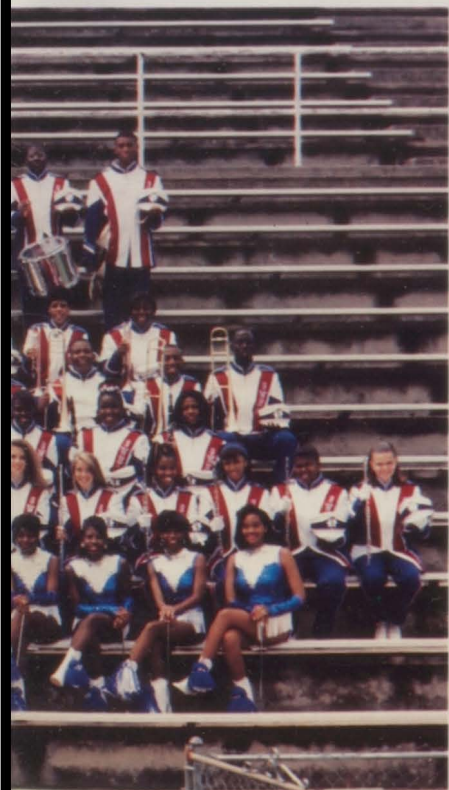

Band Director, Oscar Jackson had expressed a need for the new uniforms several years earlier. After all, the old ones had been around since 1984. A new look was necessary. Mr. Jackson consulted with the Demoulin Brothers and came up with a design. Longer jackets, different trousers, and a bold, bright stripe in front would complete the look. Now, the big problem -- how to pay for them.

The cost would be \$35,000! And, as we well know, money doesn't grow on trees — at least not trees at Southwest. So, the band members and the Booster Club began fund raising. They sold tons of chips, cases of candy bars and orchards of fruit. After two years of hard work and multiple fund raisers, the band had enough money to buy the uniforms.

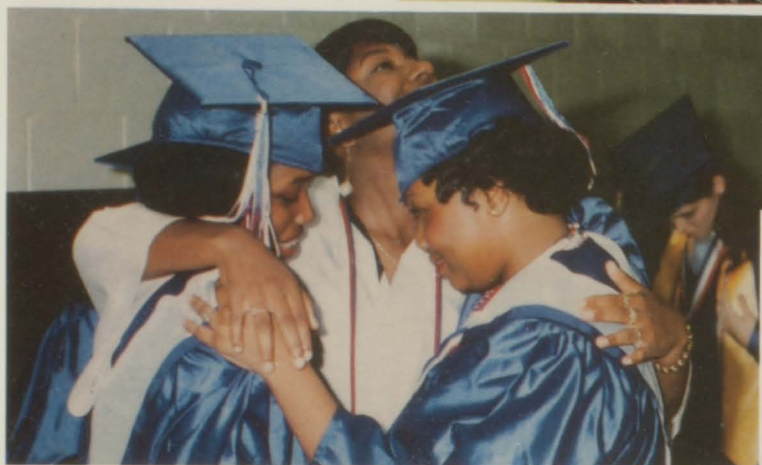

Imagine the pride the band felt as it marched onto the field for the first time in the new Red, White and Blue! The volume of the crowd expressed their approval of the new look.

And Hello To Air Conditioning

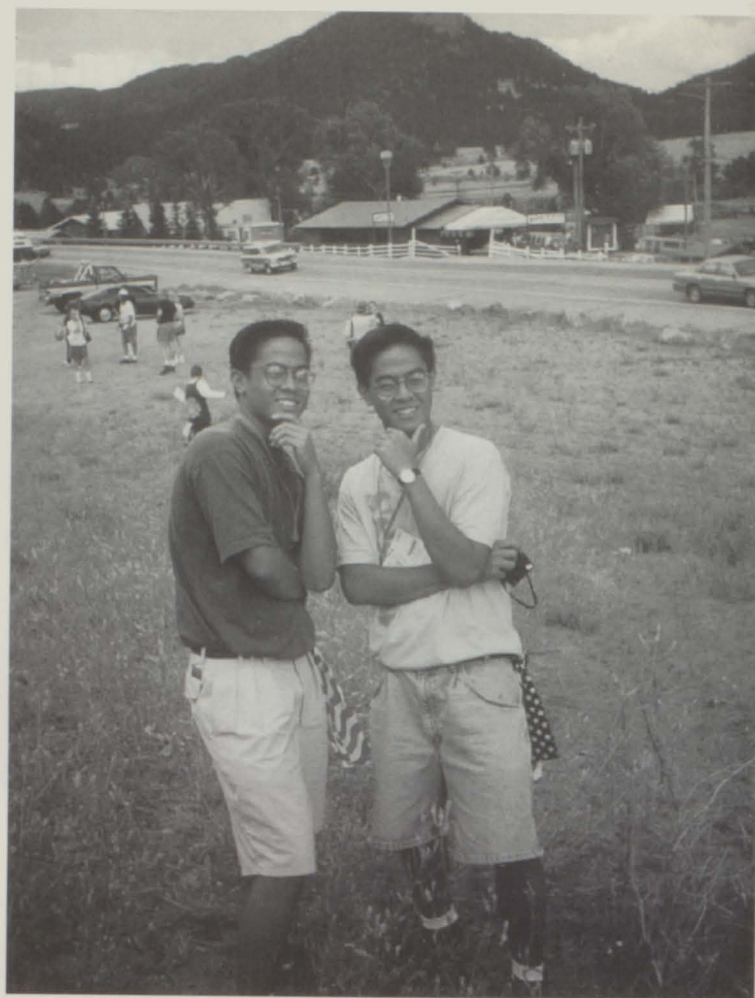

Our Patriots. . . Reaching Out to the World

The arrival of summer vacation means a variety of events for the students and faculty at Southwest. For most it means relaxing, cooling out, and enjoying the days of freedom before the fall comes calling us back to school. But for these staff and students, summer vacation was an opportunity for them to venture out and see the world. Whether it was the mighty ruins of an ancient culture or the world's most exciting fun park, Our Patriots have seen it all.

J. Vastakis and Michael and Victor Belarmino travelled to Denver for the World Youth Con-

ference where they had the opportunity to see the highest official on earth, Pope John Paul II. On June 23, 1993, Ms. Wright, Social Studies teacher at Southwest, left for Russia with 5 students from Macon. Ms. Wright applied to be a Student Delegation Leader with People to People International. The delegation from Macon was sent to Russia. Seniors T. Bryson and T. Spivey used some of their vacation to travel to the nation's capital. While in Washington D.C., they visited historical sites and observed monuments of our great democracy.

The Spirit of '94 staff attended a workshop at Georgia Tech during the month of August. Sophomore **Rhonda Rozier** and a friend cruised to one of the world's premier tourist locations, the Bahamas, on The Big Red Boat, sponsored by Walt Disney World. Spanish teacher, **Dale Gonzalez**, took a trip across the seas to visit England, Scotland, and Wales. He went on a two week tour with

fifty people from twelve different nations. While there, he was able to see many of the world's most fascinating sites. Of the many places he visited this summer the most memorable was the ancient ruin of Stonehenge. Over the years he has taken pictures in front of many places and felt Stonehenge to be one of his favorites.

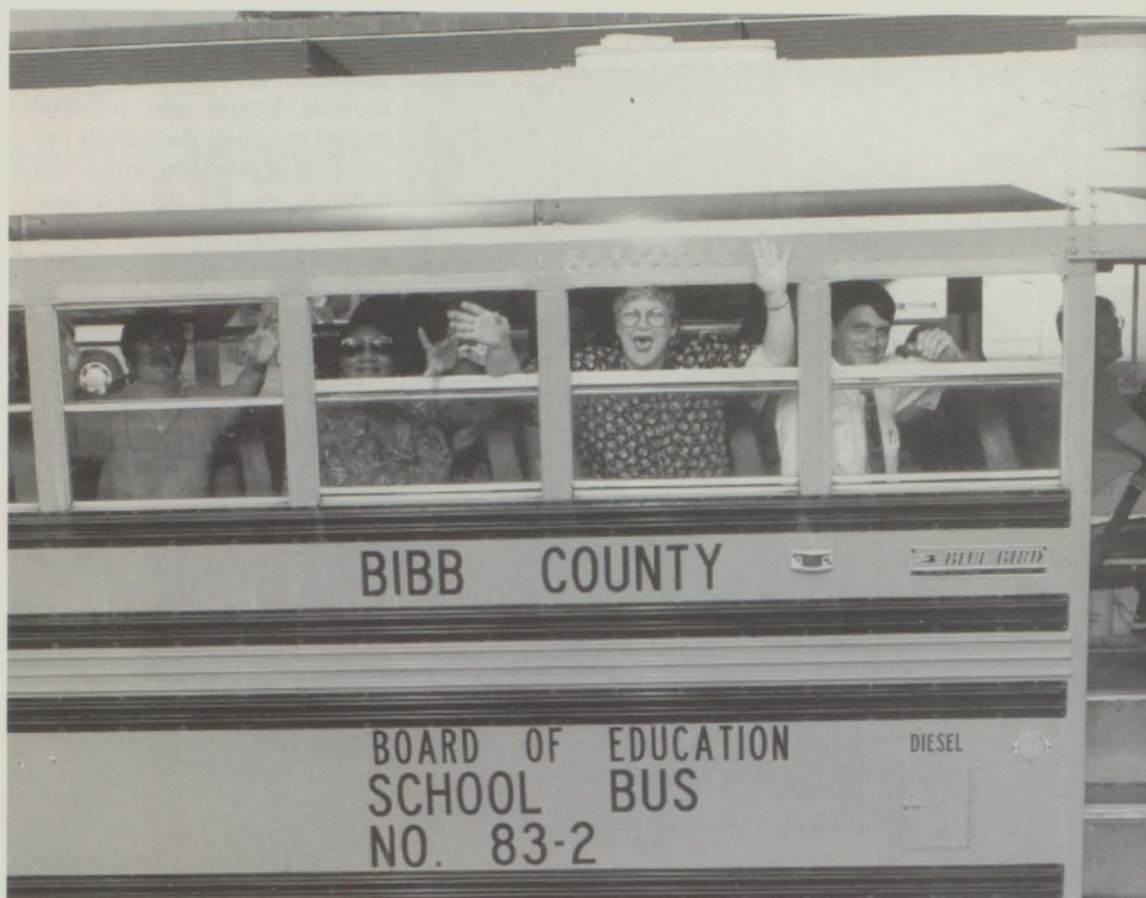

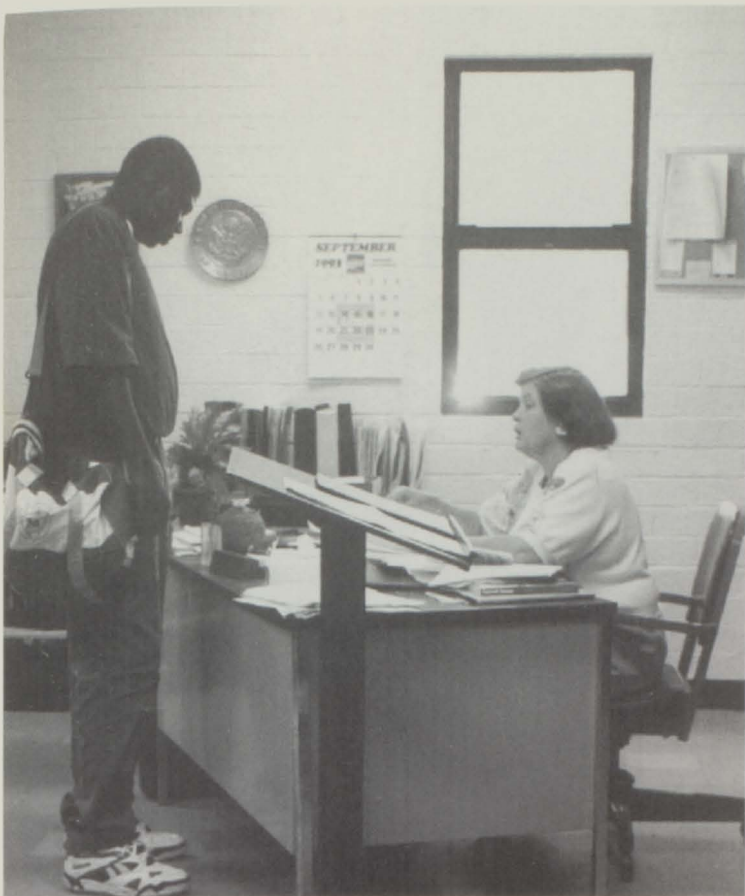

Back To School

"School days, school days, dear old golden rule days." Most of us cringe at the thought that school actually begins in August. Teachers returned on the 17th, with the students following on Monday, the 23rd.

Before that first day, the new Freshman class had the opportunity to come find their classrooms, meet their teachers and get a sense of their new surroundings. The Smooth Move program helps Bibb County ninth graders adjust to high school.

Southwest teachers were happier to return this year because of the newly installed air-conditioning. They also had the "fun" of attending the Annual County Convocation-traveling by "Cheese."

AUTUMN

As the leaves begin to change their colors and fall from the trees Southwest moves into Autumn with football games and girl's softball. Sporting events, pep rallies, Homecoming Week activities, and classes fill the days. We watched the faculty "compete" for the title of Wacky Witch and Key Club's Goofy Goblins raised money for the Ga. Sherriff's Boys Home.

The second hall classrooms were

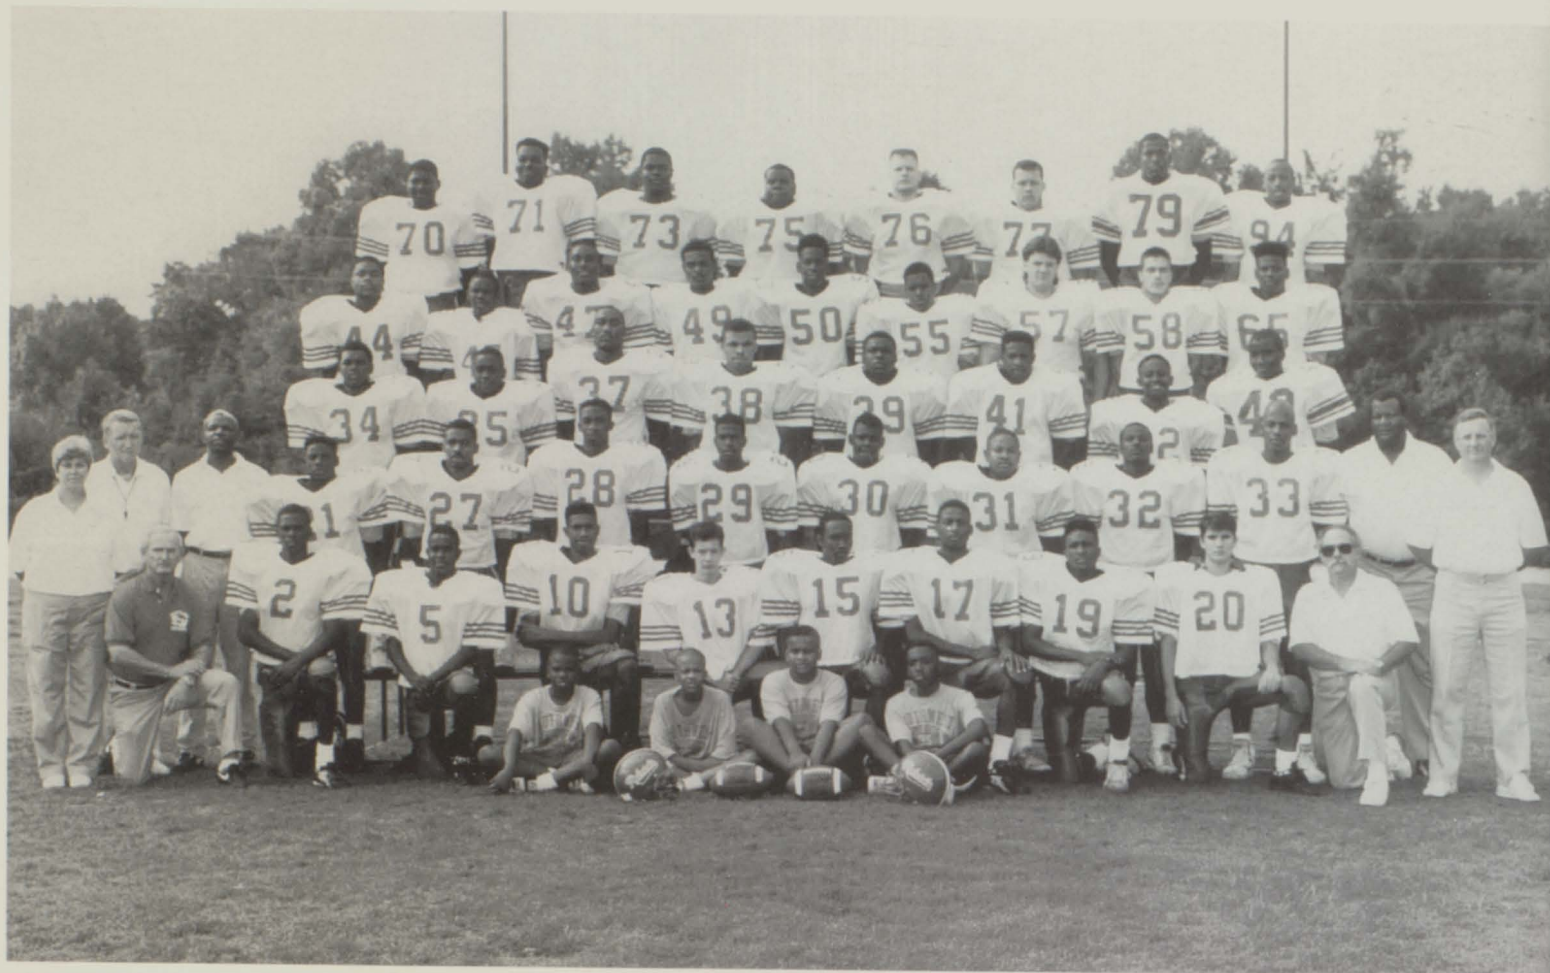

ready to be occupied once again. Teachers moved out of the trailers and the

Junior Hall classes moved into them. Would this air-conditioning ever be finished?

Meanwhile, school went on. Ball games, pep rallies, fun and games and acting totally cool.

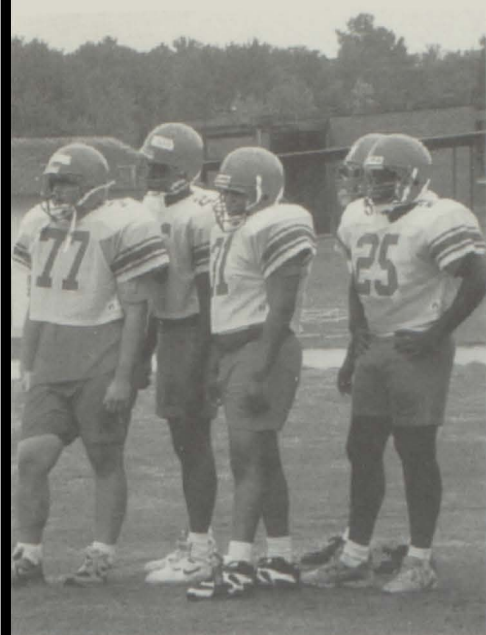

VARSITY FOOTBALL

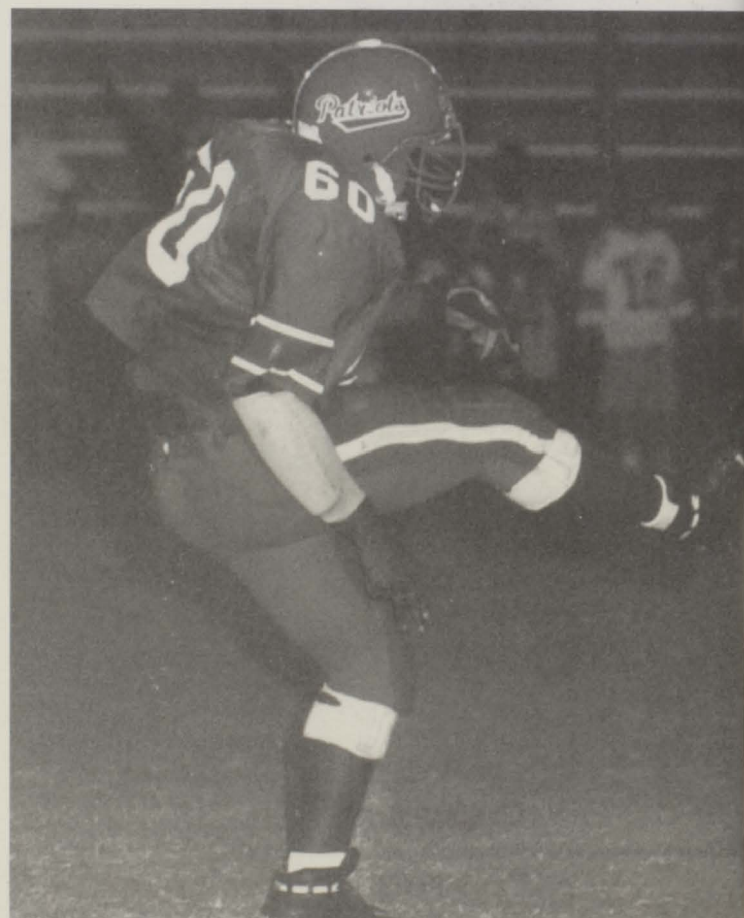

The Southwest football team had a tough season, but their determination was still phenomenal. Although the team was made up of many talented players, the magic that leads a team to victory was not there. Southwest suffered major defeats this season losing to inner city rivals Northeast and Southeast. Despite these losses, the team never gave up. With a strong offensive line, led by quarterback Wendell Simmons, and a young defense, the Patriots fought to the end in every game. Despite a disappointing season, every player gave 110 percent at practice and at games. The spirit of the Patriots has been unbelievable. The Southwest team will return to the field next year with a lot to prove.

JUNIOR VARSITY

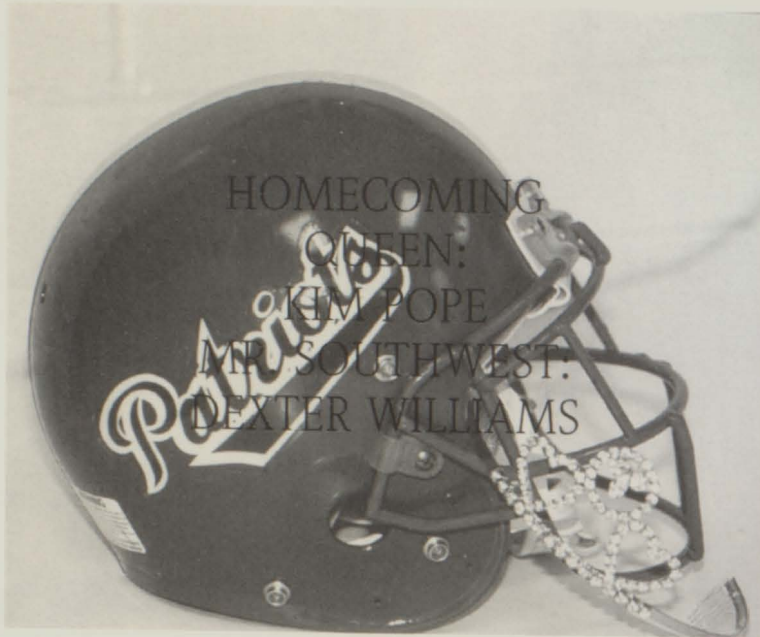

This year, the Junior Varsity team consisted of ninth and tenth grade students, some of whom had no previous football experience. The season started with a 14-0 victory over Northeast followed by another 14-0 victory over Southeast. Then, in a tough battle, Southwest tied Northside. The next week the team suffered a heart breaking 8-0 loss to Baldwin. In the following game, the Patriots were defeated 27-8 by the Warner Robins Demons. Just days later, Southwest retaliated with a 14-7 victory over Houston County. The final game of the season would be played against cross-town rivals, the Central Chargers for the city championship. The game was fought hard and fair with the Southwest Patriots coming out on top with a 14-0 win. They now proudly hold the title of Junior-Varsity football city champs.

he Senior Homecoming Court

On Sept. 17, 1993, the Southwest Homecoming was held at Henderson Stadium. Southwest was pitted against emerging rivals, the Southeast Warriors. The Homecoming court was led by J. Stewart and J. Threet. The representatives for the Freshmen Class were T. Davis and S. Cullers. The representatives for the Sophomore Class were N. Gilbert and N. Glover. Representing the Junior Class were C. Causey and A. Glover. From the Senior Class, the nominees were: T. Clark; L. Gibson; L. Harmon; T. Long; K. Pope. Representing the Senior Class as nominees for Mr. Southwest were A. Ford and T. Smith, represented by their parents. K. Murphy was represented by T. McGhee and Q. Napier. Other nominees were L. Whelchel and D. Williams.

There was a tie for Homecoming Court between T. Clark and T. Long. The runner-up for Mr. Southwest was L. Whelchel. The Homecoming Queen was K. Pope and D. Williams was Mr. Southwest.

Cross Country Boys

And he takes the lead! R. Smith crosses the finish line in first place. The Patriots are off and running! The team finally standing still- R. Smith, C. Dixon, T. Morgan, K. Hudgins, M. Wallace.

This year the cross country girls represented Southwest High School well. They finished third place in the region, and with a fourth place finish, Carla Rhyne won a position at the state competitions.

CHEERLEADERS

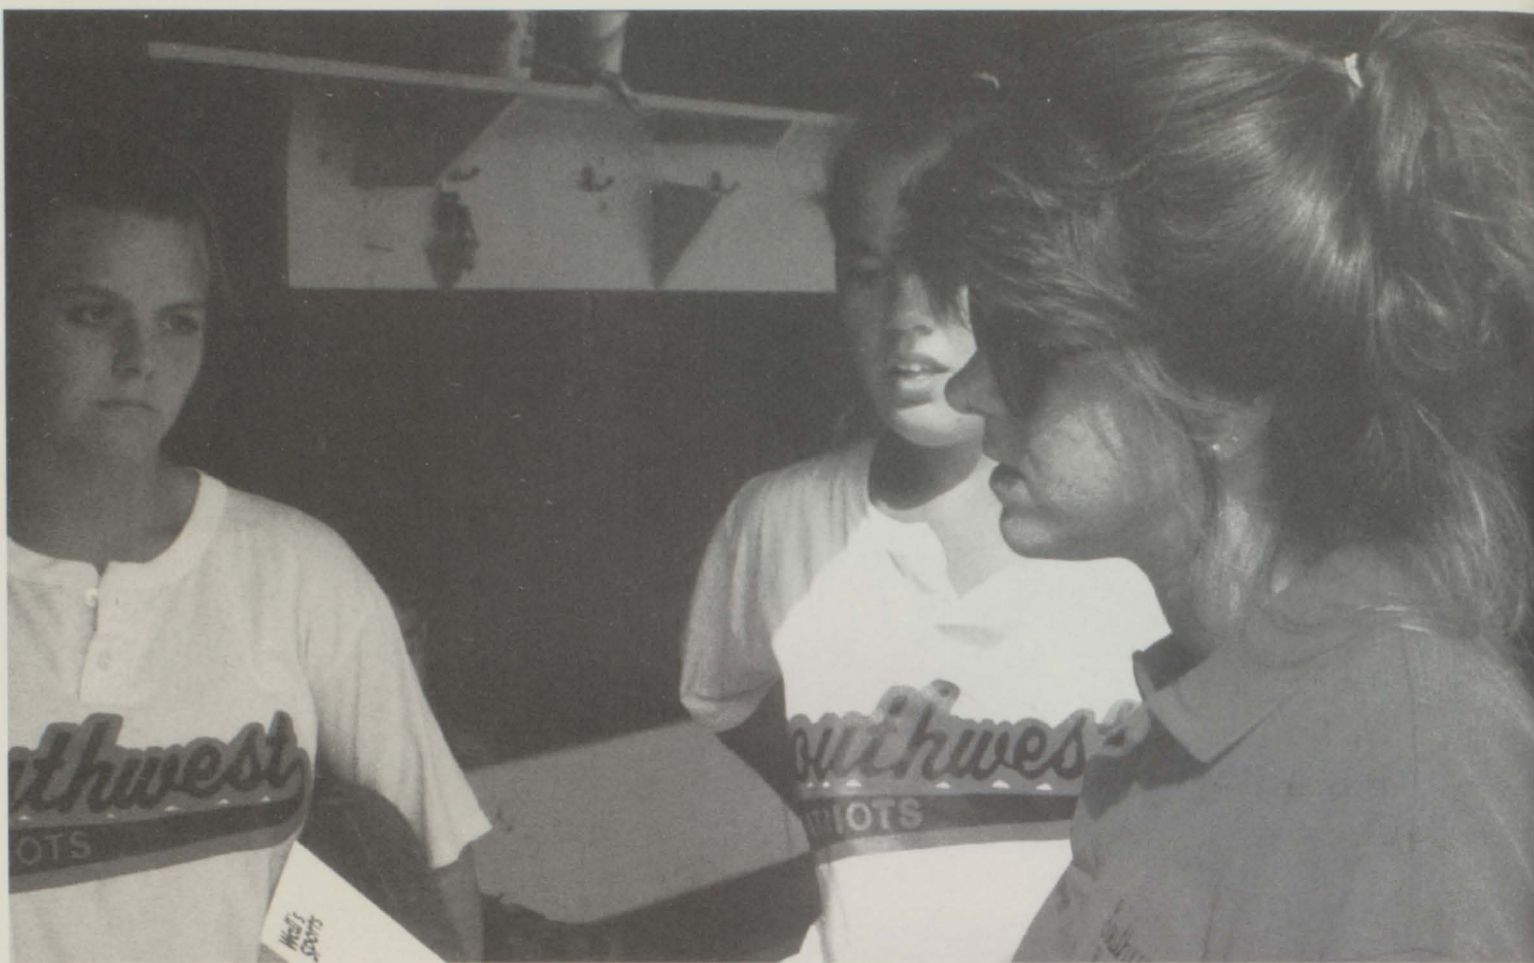

The Southwest Cheerleaders of 93-94 have had a really great year. There were many newcomers to both Varsity and Junior Varsity squads, but they have worked very hard to do their best.

The Cheerleaders had an exciting time at camp over the summer. There, they worked to improve their techniques, acrobatic skills, and practice new cheers. Many of the girls won awards in various competitions at camp. Both squads won first place for best cheer in their division. The best part of camp for the girls was making new friends and becoming closer to the other cheerleaders on the squad.

Varsity squad captain is LaShonda James and co-captain is Jennifer Bass.

SOFTBALL

The girls' softball team was full of young, but experienced ball players this year. There were only four Seniors on the team: **Tamika Clark** (Captain), **Mandy Lindsey** (Captain), **Tonya Long** and **Susan Hawkins** (book keeper). The first part of the season was a difficult one because the Lady Patriots had problems with their pitching. But the Patriots pulled through ending the season with a 5-7 in region and a 6-9 in non-region games. **Coach Dannah Graham-Minton** definitely has a talented group with which to work in the future.

PUMPKIN DAY

The Haunting of Southwest began early as the Spirit of '94 held their annual fund raiser- the Wacky Witch Contest. It was, once again, a heated race between **Ms. Gwen Bell** and '93 Witch **Ms. Bitsy Phillips**. When the coins were counted it was obvious **Ms. Bell** was the winner.

Other strange people could be seen around the campus, as WA

Witches **Jolley**, **Rutherford**, and **Dickey** flew through the halls. "**Old Woman**" **Black**, and **Catwoman Simmons** haunted the halls, too.

As usual, Key Club's Goofy Goblins collected money for the Ga. Sherriff's Youth Home. No one visiting Southwest on October 29 could say that Patriots don't have SPIRIT!

WINTER

By now Southwest's air-conditioning was almost a "fait accompli."

Student Council planned the MORP, Yearbook finished the class sections and was confident they would meet their December deadline. The clubs and organizations held canned good drives for Thanksgiving and everyone looked forward to Christmas Holidays. The Seniors had their Christmas Party and the faculty played

their usual role in the merriment.

As we faced the New Year of 1994, we also faced final exams at the end of our first semester in the newly instituted Semester System. We realized once more that we had new things other than air-conditioning at Southwest. Finals were over in January, but Basketball was just beginning. And so was the second semester.

Patriot Leaders

A ship is only as good as the Captain and his officers make it. Our "captain" is **Dr. Columbus Watkins**. Dr. Watkins has degrees from Fort Valley State, UGA and NOVA University. He has been at Southwest seven years as Assistant Principal and now, Complex Principal.

Dr. Watkins is assisted by **Mr. Jesse Mays** at Willingham B. Mr. Mays earned his degrees at Florida A and M and Georgia State University. He likes to play bridge, golf and chess in his spare time.

Lead Assistant Principal for SW is **Mr. David Reid**. Educated at Fort Valley State College, Mr. Reid has been at SW six years as a

coach and four of those as principal of WA. Mr. Reid loves basketball and is very involved in his church and family life.

Ms. Eleanor Sikes is Assistant Principal at WA. Earning degrees from Mercer, Georgia College and UGA, Ms. Sikes taught English for several years at SW. She left for a brief period to serve at Northeast, but returned "home" to SW this year. In her spare time, Ms. Sikes, skis, reads, fishes, and does cross stitchery!

Mr. Charles Rogers and **Ms. Jackie Richardson** hold things together in the Vocational Building.

Ms. Richardson has been at Southwest almost thirty years. She has taught social studies, served as principal of WB and as an assistant principal in McEvoy B and WB buildings. Ms. Richardson earned degrees at Wesleyan College, Duke and Georgia State University. She still spends a lot of time doing volunteer work for Wesleyan.

Mr. Rogers is the official vocational supervisor, dividing his time this year between Southwest and Southeast. He has attended Georgia State, Georgia College and Mercer. In his spare time, Mr. Rogers plays the piano and tennis. He also enjoys wood working.

From helping students get applications to colleges to assisting them in the libraries, Southwest's counselors and staff have had a busy year. All of these men and women are here to make life in high school a little easier. Facing tough deadlines and working long hours, the counselors labored to make the transitions into the semester system a smooth one. Also, the librarians worked hard to re-open the WB library. Other staff members worked furiously to help promote school spirit.

Cooking Up Something Good!

There's always something good on the stoves in the WA and WB lunchrooms. Whether it's pizza, fried chicken, or those big, yummy cinnamon rolls, we know the Patriots will be well fed.

The WB "Patriot Inn" is managed by **Mrs. Pat Smith**, who has been at WB over 20 years. Her staff includes: Margaret Lester, Everlean Finn, Sheila Robinson, Ella Smith, Margie Register, Pat Smith.

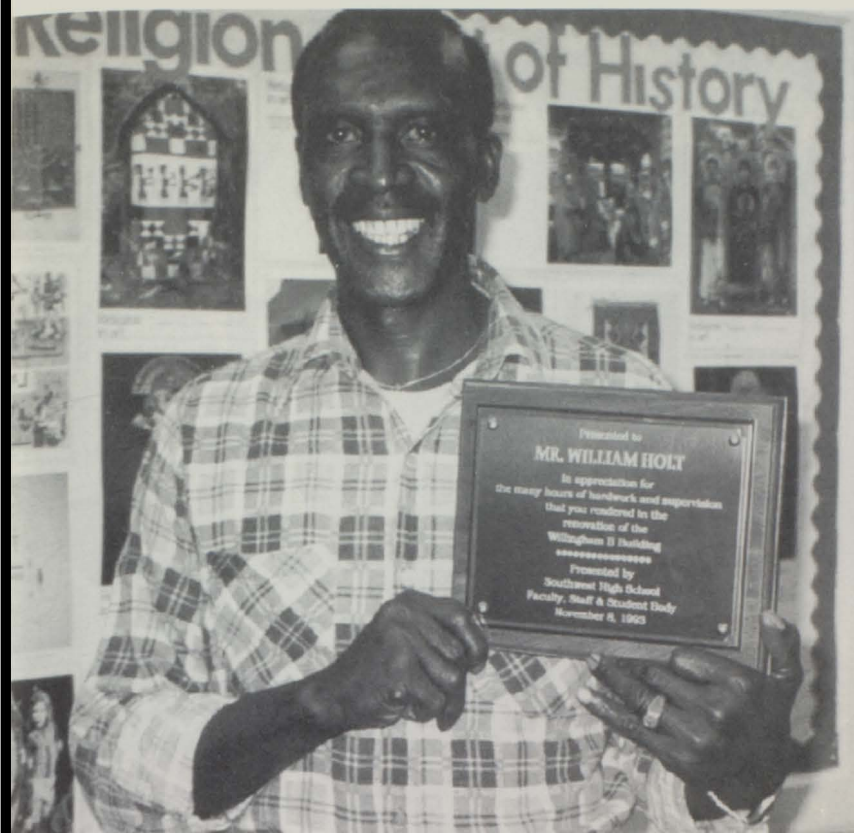

Mrs. Angela Edge manages the WA lunchroom where they serve breakfast, as well as lunch five days a week!

(left to right): Mary Ashley, Eddie Ruth Bounds, Addie Pope, Dianne Williams, Jeanette Wesson, Kelvin Daniels, LouVerne Collier, Angela Edge, Clee Williams.

Keeping Our Campus Clean

The Southwest Custodial Staff works hard to keep the school clean. Mrs. Dorothy Smith starts the day around 6:00 a.m. as she unlocks the buildings and puts the flag out. The head custodian, Mr. William Holt, spent most of the last summer at the school working with the air conditioning project. All the staff work long and hard hours to keep the three buildings as clean as possible.

A LAST LOOK AT '93

The civil war in what was once Yugoslavia moved through its second year. Israeli Yitzhak Rabin shook hands with Arab PLO leader Yasser Arafat, beginning talks of Mid East peace. An Amtrak train hurtled off a bridge into a bayou in Alabama killing 47 passengers. Hillary Clinton appeared before Congress addressing health care reforms. Ruth Bader Ginsburg was sworn in as the 107th Supreme Court justice. The floods that washed across the Midwest made the summer of '93 one of the wettest in history. Michael

Jordan announced his departure from the game in October. Arrested Development won the MTV Video Award for best rap video. "Seinfeld" took 3 Emmy Awards in September. On a lighter note a small boy in San Jose, Ca. matched strength with a 576 lb Konishiki, known in Japan as "Meat Bomb." Death claimed notable figures as Reggie Lewis, Roy Campanella, Patricia Nixon, Arthur Ashe, Conway Twitty, Raymond Burr, Herve Villechaise ("the plane, the plane!") and Don Drysdale.

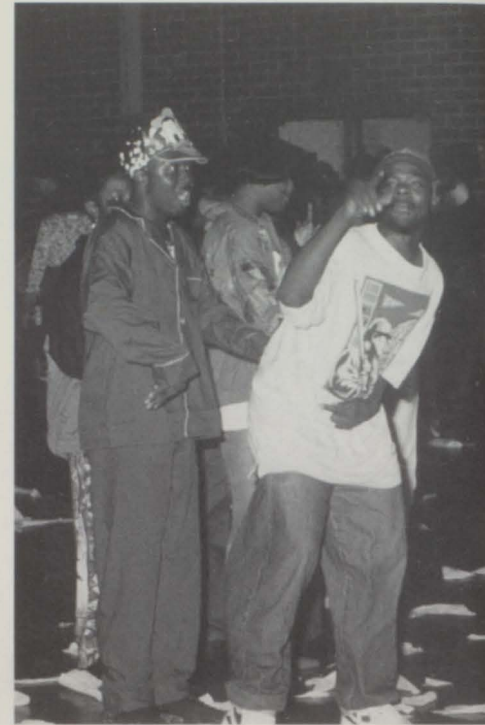

Tackiest Place In Town

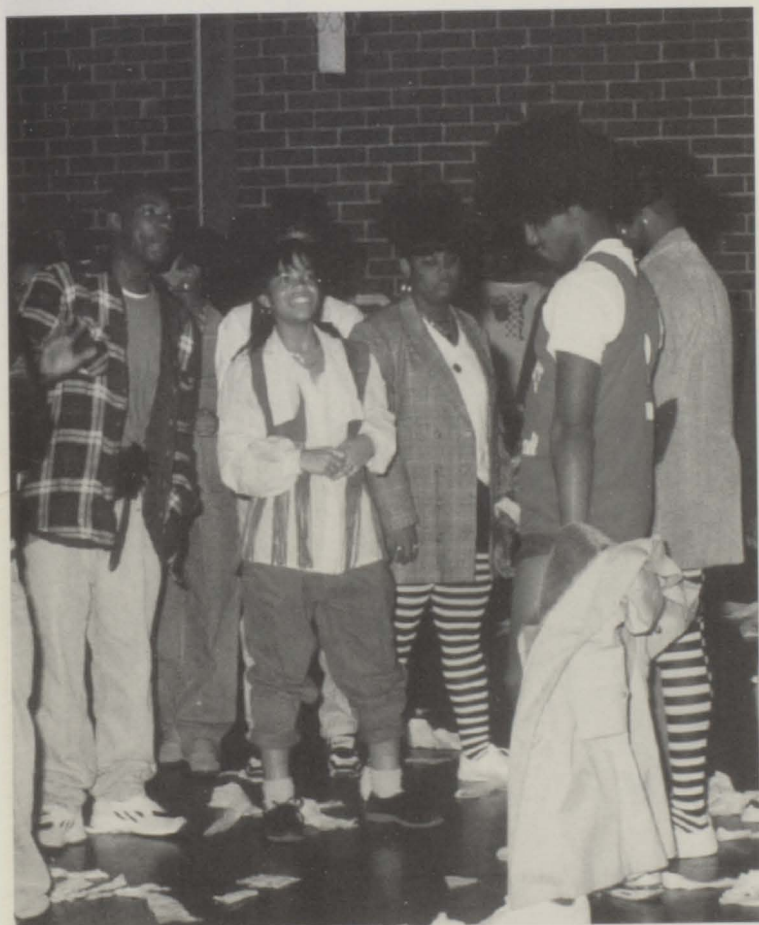

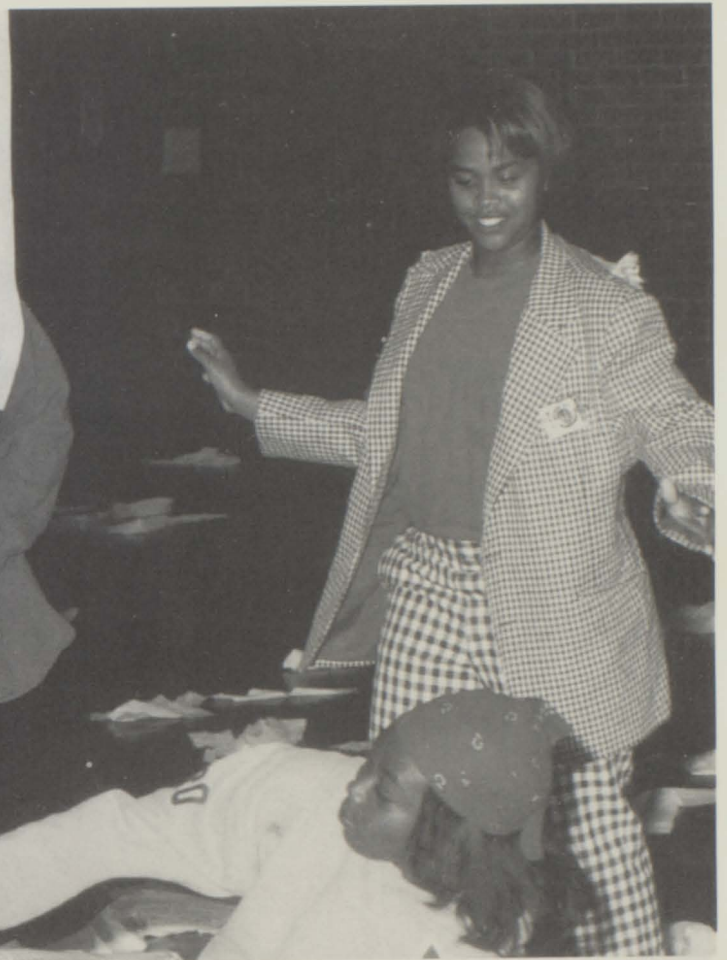

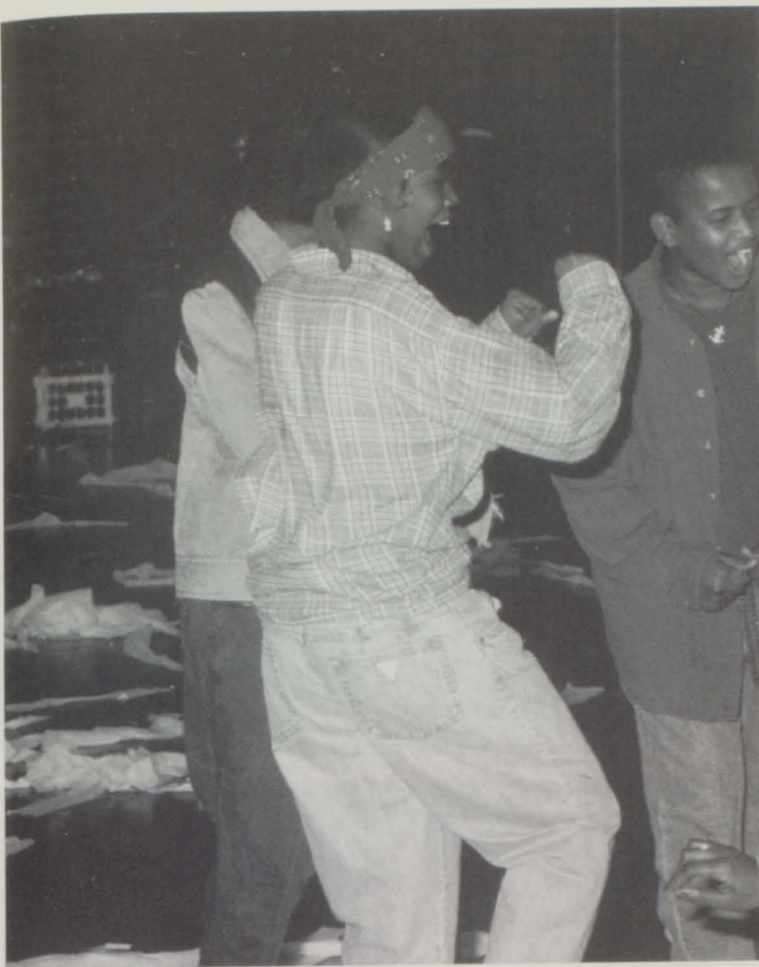

This year Student Council presented the annual MORP dance, otherwise known as the "backwards Prom." At the annual event everyone dresses as tacky as they possibly can. In order to set the atmosphere the Willingham B Gym was converted into the tackiest place in town, with tissue hanging from almost every rafter and scattered all over the floor. Every year the tackiest guy and the tackiest

girl are named king and queen of the MORP. This year's King was **Sherrod Brooks** and Queen was **Tawanna Gordon**.

The turn out was good this year and everyone who was there had a blast. Student Council would like to personally thank everyone for their support. Thanks to the students, MORP '93 was one event for all to remember!

Patriots At Play

Southwest had a lot of crazy activities going on to promote school spirit the week before the Southwest vs. Central football game. Some of the activities included Spirit Hats, Tacky Day, concluding with the Central Funeral. Students wore hats decorated with red, white, and blue. On Tacky Day many students dressed in outrageous clothing. The Central Funeral was the main event. There was a battle for spirit between classes that resulted in the Seniors and Juniors defeating the Freshman and Sophomores.

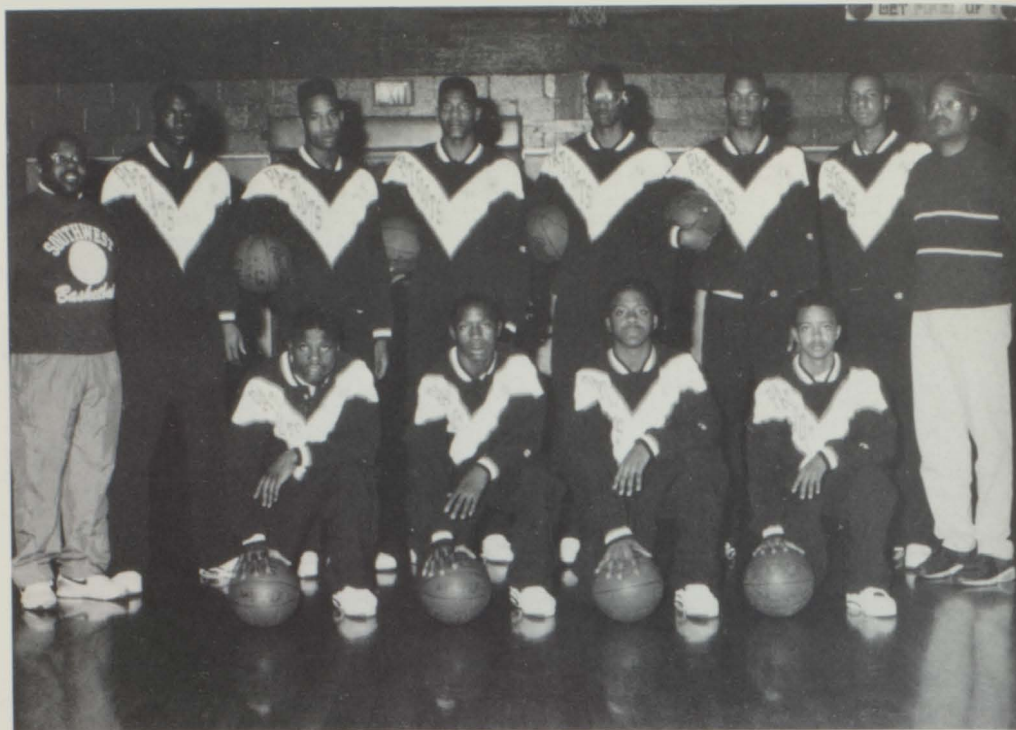

In the same week Mr. Barfield's Mankind students held an auction of indentured servants to raise money for a historical trip to Charleston, SC.

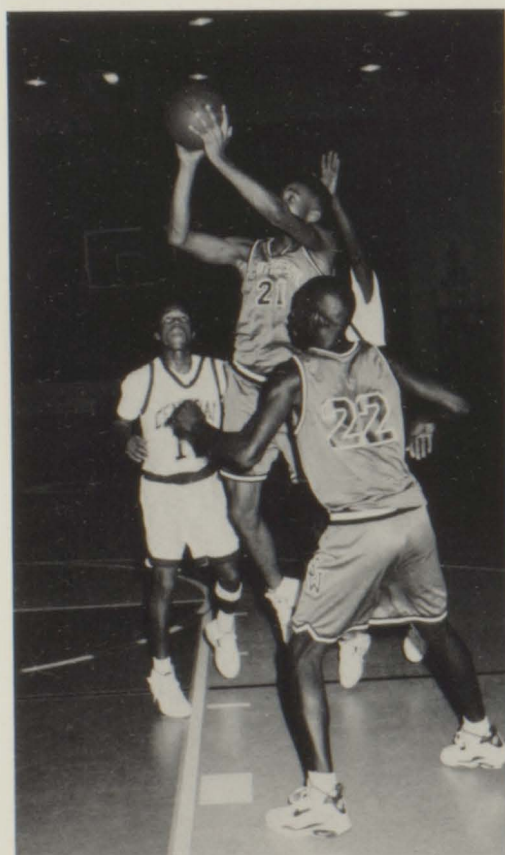

Varsity

The Southwest boys varsity basketball team had a disappointing season. The boys gave a tremendous effort throughout the year as they faced a rugged schedule. They had some difficult losses, but never lost their Patriot spirit as they improved throughout the season. The team was led by Jimmy Burnett who had the highest average of points and rebounds during the season. Coach Clyde Barden and Coach Ron Taylor should be congratulated for their work with the guys. The coaches look forward to next year with a lot of returning talent to be harnessed.

Opposite Page: #10 puts it in for two; #21 powers it up; #21 goes for the shot; #25 Packs it in hard; #31 waits for the rebound.

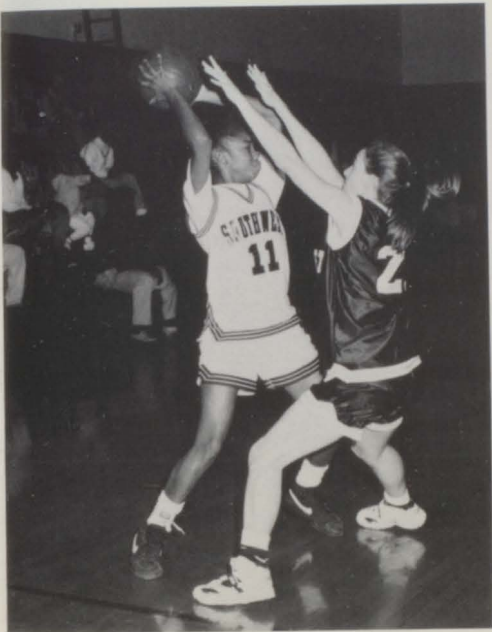

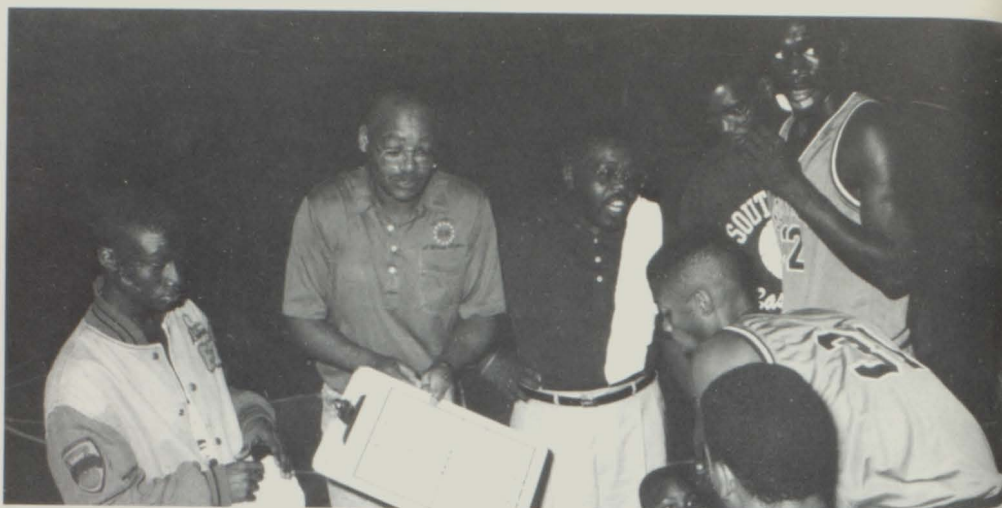

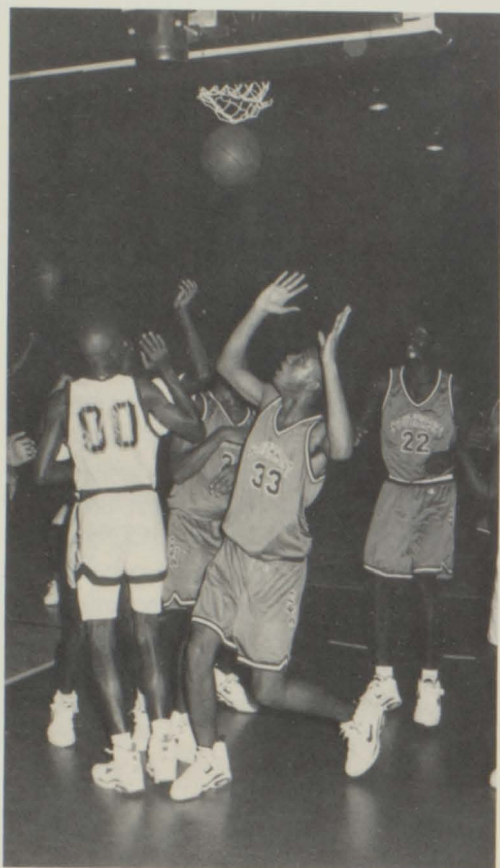

"Hoops! There It Is!"

Amazing! Outstanding! There just aren't enough adjectives to describe the Girls' Varsity Team. As of press-time in mid — February the girls had a record of 16-2 and 10-1 in the Region. According to their coach, **Willie Goolsby**, "The girls have played well. This is my second year with them and they are way ahead of where I had hoped they would be. It's a young team. Although there are four Seniors, only two of them play regularly. Most of the core of the team are 9th or 10th graders. The next couple of years - the sky's the limit!"

In addition to the obvious talent of the girls, the team has one of the best coaches in the state. Coach Goolsby has been recognized several times during his career. He was given the **Macon Telegraph Coach of The Year Award** in 1993. We are looking forward to a State Championship soon.

Drill Team

The Drill Team is showing off their spirit in their new uniforms. They worked hard all summer long at camp to give their audience at the basketball games a great show at half time. Our new exchange student Linda Mata joined the Drill Team and rallied Southwest spirit.

All of the Drill Team's fancy steps were choreographed by Jennifer Bell, who works with the Atlanta Hawks. All their hard work and determination will be rewarded when they're featured in Studio 26. After the last game their work is still going to continue when they start in their community workshop.

B-TEAM BASKETBALL

I'm With The Band

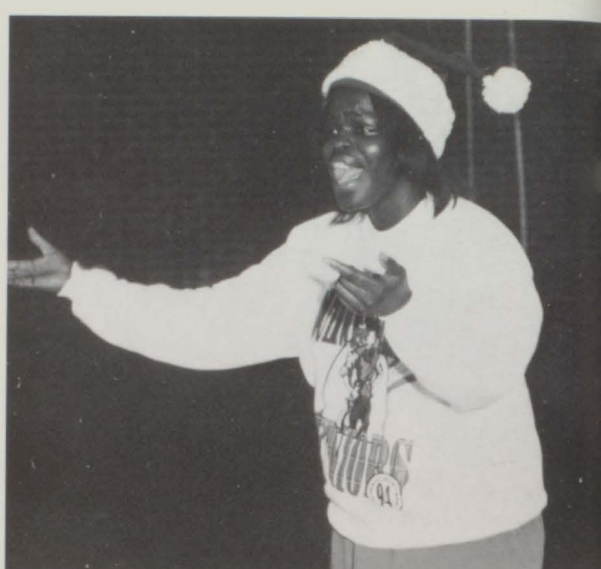

The Southwest Marching Band, consisting of 125 members, has a sound unlike any other band. Performing at halftime during the football games, the band provides entertainment with the latest songs and dances. All of this is made possible through a lot of hard work and practice. The band also performs in numerous parades such as the Christmas and Cherry Blossom Parade and the Marde Grai Parade.

After marching season, the band begins its concert season. During this season the band performs at school functions and participates in festivals. The band has gained many awards over the years at these festivals. Under the leadership of **Oscar Jackson**, the Southwest Band is active throughout the year. Also, they have earned themselves a very successful reputation.

SENIORS CELEBRATE CHRISTMAS

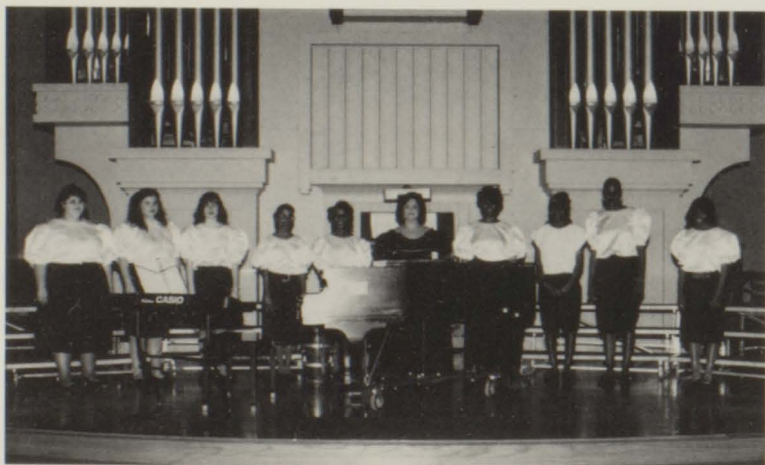

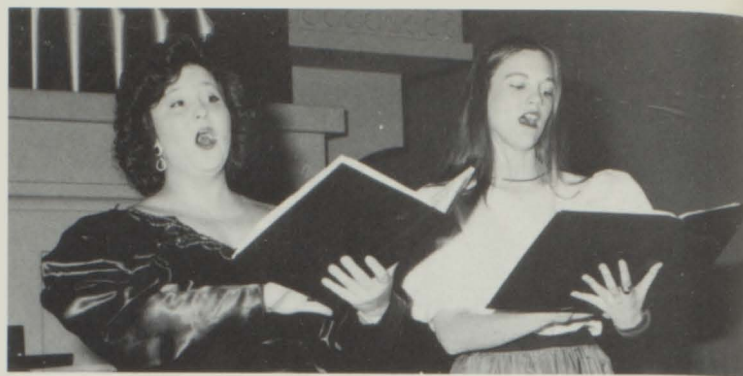

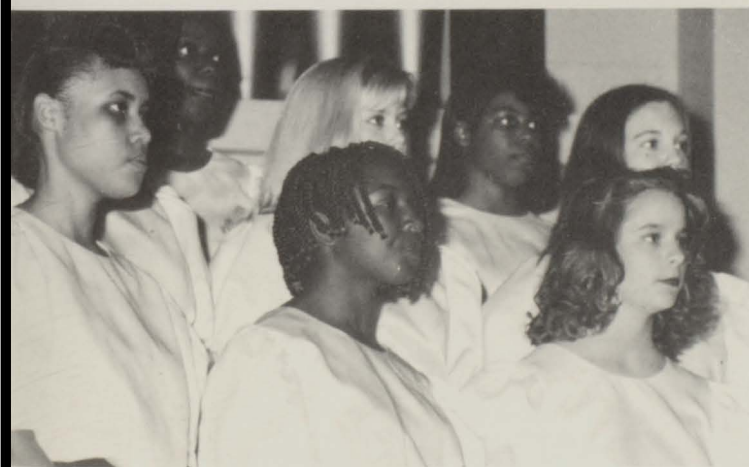

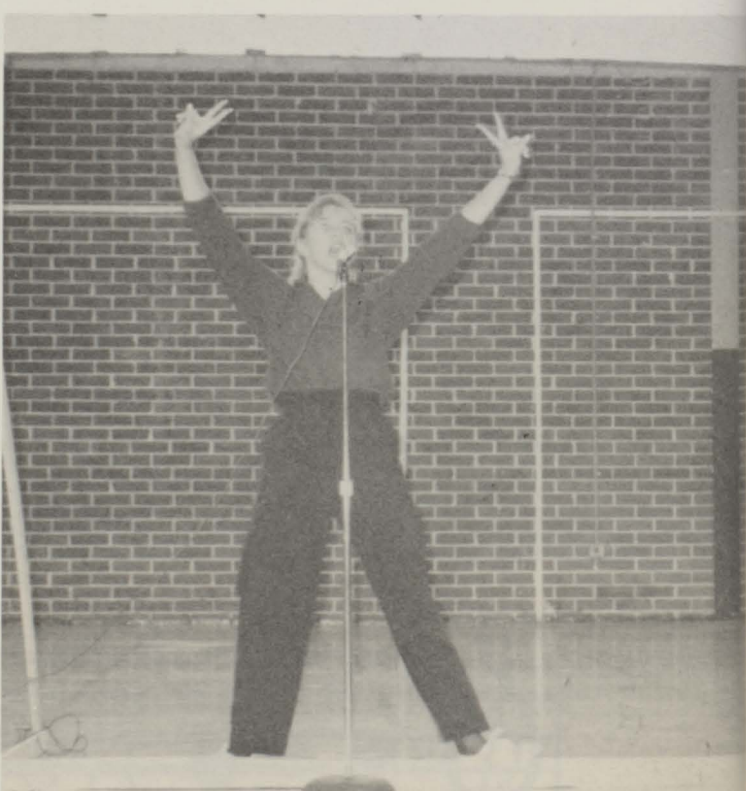

Southwest Songbirds

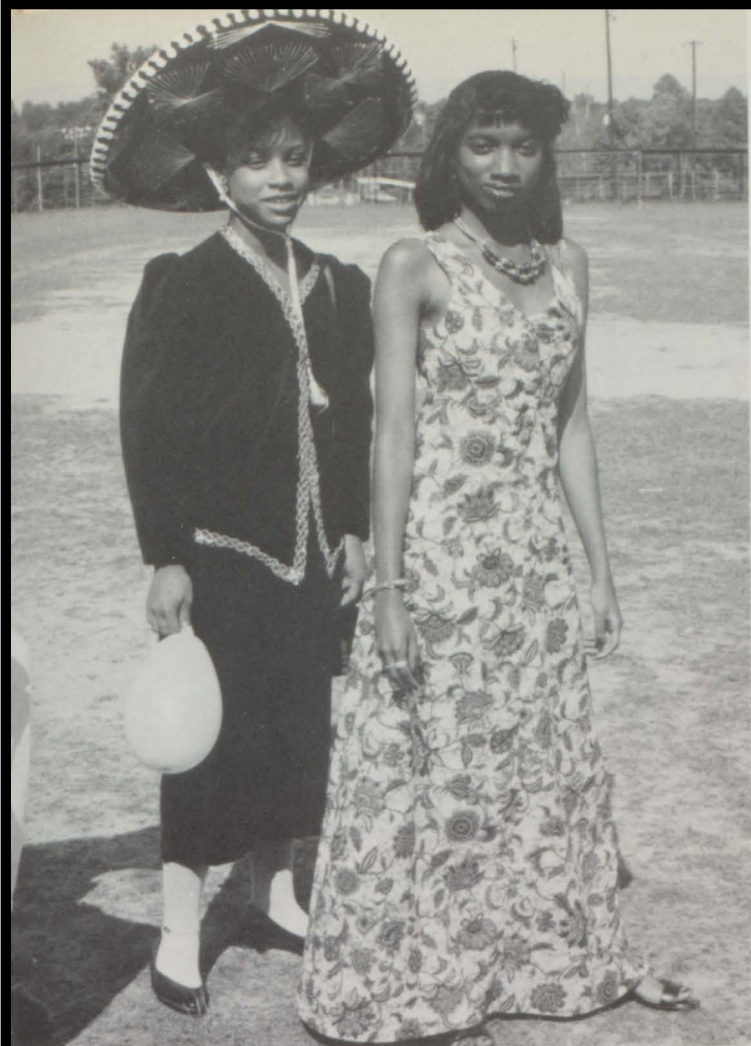

Whether they are singing Broadway show tunes or Christmas music, the choral groups at SW always give a beautiful performance. The Chorus is directed by **Jeanne Hoskyns**. Under her supervision, these voices are trained until they are ready to become a part of the Advanced

Chorus. The groups performed for the Phi Delta Kappa dinner. They held their annual Christmas program at Mercer's Newton Hall. Some members will participate in All-State Chorus and at the GMEA Festival. It is always a busy year for the Chorus as they sing from Macon to New York!

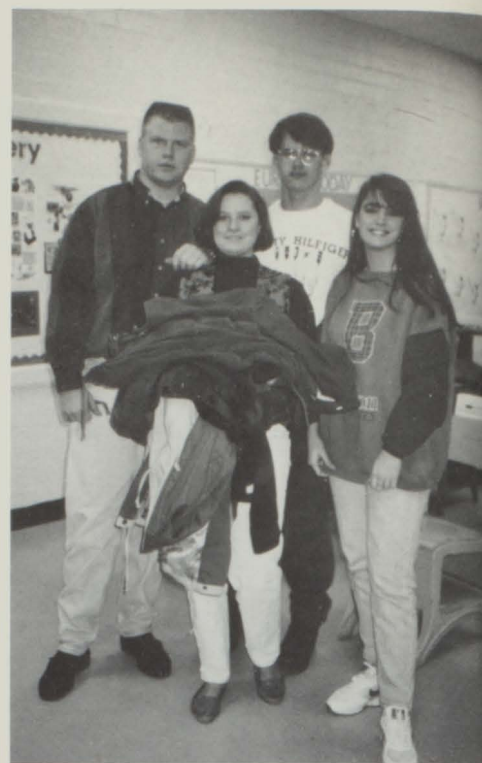

Key Club

The Key Club stands for service. The club performs at least one service project a month to help those who are less fortunate. Some of these projects involve collecting canned goods for the Salvation Army and the Soup Kitchen on Mulberry Street. Also, the club collected coats for needy children and made valentines for the elderly. These are just a few of the things that the Key Club does to brighten the lives of others.

The officers of the Key Club make the many projects possible. The officers are as follows: **Mandy Lindsey** — President, **Deliha Payne** — Vice-President, **Lee Whelchel** - Sargeant at Arms, **Reese Sheikholeslam** - Treasurer.

"I have been a Key Club member since my sophomore year. I cannot express what a great decision made by joining. Out of all the activities that I have been involved with, I definitely find Key Club to be one of the most rewarding."

— T. Stopher, Senior

"I think that the Key Club is great. We do so much to help the community. I have only been in a couple of projects so far, but just from those few you can really tell that everyone sticks together and helps out."

— P. Lindsey

Southwest Beta Club

"Let Us Lead By Serving Others"

Lashonda James — President

Jeremy Peacock — Vice President

Jay Jump — Secretary

Carolyn Gilbert — Treasurer

Of the many clubs on the campus at Southwest, the most active and most involved is the Beta Club. Performing a variety of service projects throughout the year, SW's Beta club has given many hours to the aid of the community. The club raised nearly \$2000 for the American Cancer Society and donated over 100 Christmas stockings to the Salvation Army.

Each year the Beta Club attends the State Convention in Atlanta. With the guidance of club advisors, Ms. Moore, Ms. Bell, and Ms. Wright, this year's club worked very hard to prepare for competitions at the convention.

The Beta Club remains one of the most productive organizations in the nation. Southwest's Beta Club is certainly no exception.

"The Southwest Beta Club has a real sense of family. We have laughed and cried together. The moments we've shared together I must say will never be forgotten. It's a club full of talented people as evidenced by all their awards."

Crystal Causey

" 'Let Us Lead By Serving Others,' our Beta motto, is more than just a group of words since the club takes pride and pleasure in helping the community.

Carolyn Gilbert

"Hallelujah! Salvation and Glory! AMEN!!

Chris Parkerson

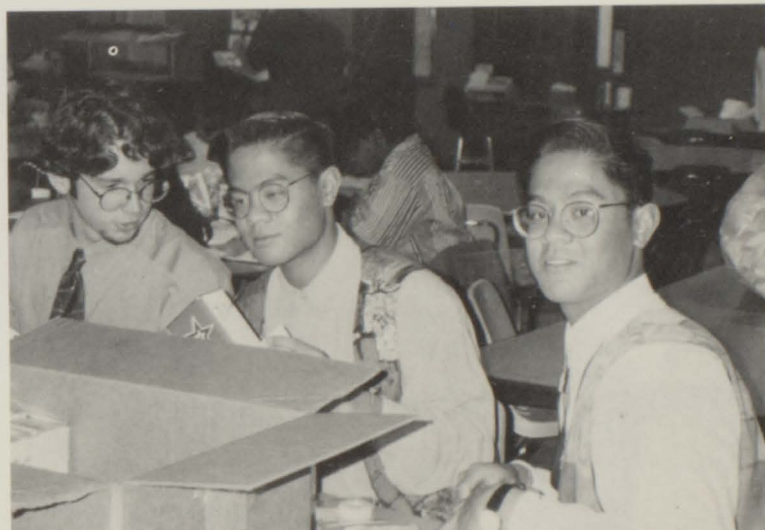

"The Southwest Beta Club makes a profound difference in the lives of students — an impact which will have a life-long effect. It has provided for me and many others numerous opportunities to contribute our time and selves to better our school and community. The Southwest Beta Club is certainly a club of leadership, character building, and achievement!"

Carla Rhyne

"Beta Club, I believe, is the best club at Southwest High School. We have fun during our activities and especially at the State Beta Convention in Atlanta. The Beta Club is an organization which helps others who are in need."

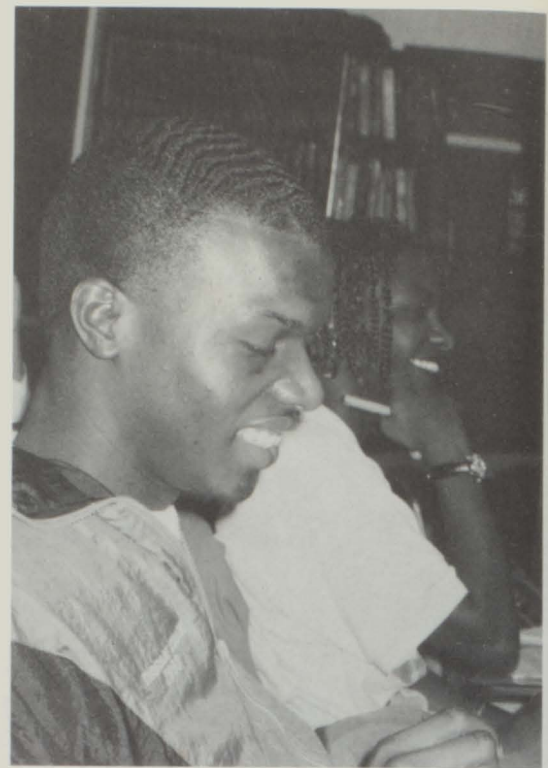

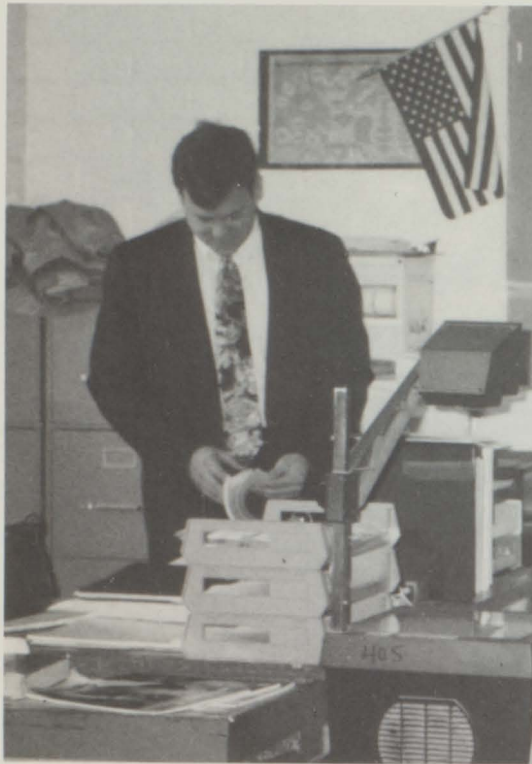

Staci Hunnicutt

Mock Trial

Perhaps the most exciting organization on campus, Mock Trial gives students a chance to put on a real court case. Participants have the opportunity to be either a witness or a lawyer. Intense practice begins after the roles are decided. With the help of two lawyers from the Macon area, the team practices for weeks to prepare for a competition at the end of February.

Returning from last year's competition with bitter discontent, the Mock Trial team has worked especially hard to make sure the results of this year's competition will not be disappointing.

"Mock Trial is a great learning experience. The hard work and effort involved are really worth it in the end."

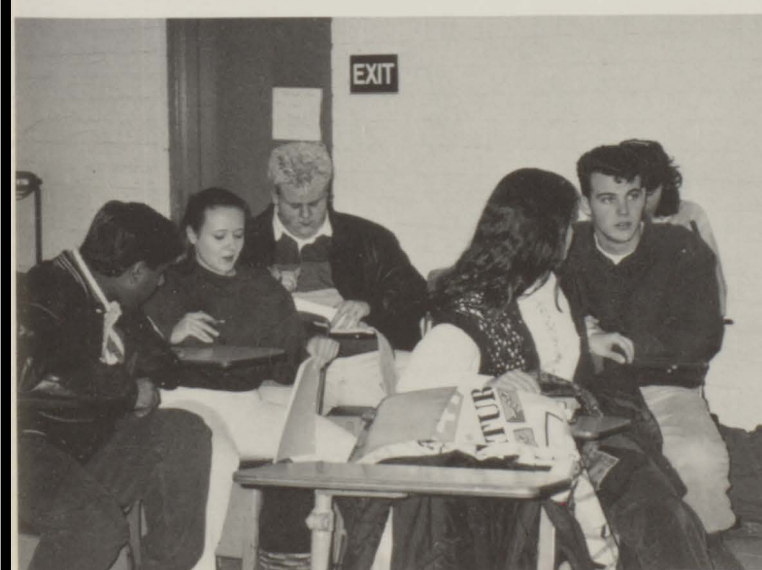

— Jay Jump, Senior

"Mock Trial helps you learn the judicial system and how it works. Competition in the Mock trial is very competitive and makes you realize the law is nothing to play with."

— Mandy Lindsey, Senior

"The Mock Trial allows you to act out a court case and get the feel of what it's like to be involved in an actual case."

— Manishh Patel, Senior

STUDENT COUNCIL

Southwest's Student Council began the 1993-94 school year staffed with the most capable officers it has had in several years. The group worked very hard to organize assemblies, put on dances, and co-ordinate school functions. Advisor, **Mrs. Betty Stewart**, also spent many of her hours working to make sure everything went over smoothly.

Activities that Southwest's Student Government sponsored were numerous and they all went very well. The pep rallies that were put on rocked the Willingham B gym. The annual Morp Dance was again a big success. To help raise money for the summer events, Student Council sold and distributed Christmas cards for the students. This group also worked very hard to promote school spirit. To help the community out, Student Council sponsored a Blood Drive in December in which many valuable quarts of blood were donated.

Overall, this year has been very exciting and productive for Student Council.

"Student Council is a very good organization to serve in. We all work together for the benefit of the school and the community, something most students don't realize."

— J. Jump, Senior; Complex President

Southwest Complex Officers

President — Jay Jump; Vice-President - Manishh Patel; Chief of Staff — Michael Hamlin; Treasurer — Tonya Long; Secretary — Shayderia Driskell.

Academic Team

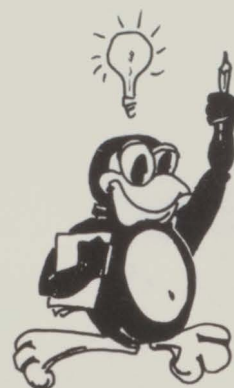

With the guidance of Jim Barfield, the Academic Team has competed in the Resa Invitational Tournament and the WMAZ Teen Challenge.

"The Academic Team is organized to give an opportunity for its participants to express their knowledge of odd facts."

— David Sigmon, Senior

After winning the City Championship last year, Southwest's Academic Team returned three of their starters with hopes of another successful season. With the leadership of team captain, **Chris Parkerson**, the team played in a number of competitions. With victories at a tournament in Statesboro, the team secured itself a spot in the second round of the same tournament that would be played later in the year.

The team's coach, **Mr. Barfield**, has worked very hard each and every year. He has dedicated many hours of his time to form well-rounded teams. The SW Yearbook Staff thanks Mr. Barfield for his patience and ability to always turn out a good academic team.

Fellowship of Christian Athletes

"Through FCA you can do everything God asks you to do with the help of Christ — who gives you the strength and power."

— T. Ranow

"The FCA is a good opportunity for fellow Christians to assemble and fellowship in God."

— D. Andrews

"I think that it is great that Southwest has a FCA because this school needs good Christian leadership." — C. Golden

"FCA is a club of Christian friendship, love, and brotherhood that gives us all a common factor, Our Lord."

— C. Barnhill

FCA is the Fellowship of Christian Athletes. This year they had many guest speakers. In November they gave each teacher and administrator an apple with flags and Bible verses for American Education Week. In December they collected and donated teddy bears to the Children's Hospital at the Medical Center of Central Ga. FCA also collected money for Chip Minton, husband of teacher Mrs. Dannah Minton, who made the Olympic Bobsledding Team. The money raised went toward helping his parents attend the Olympics in Norway. FCA is headed by **John Mathews** who is a coach, teacher and friend all in one.

Mrs. Calhoun advises the Future Homemakers of America.

FHA

"Stop the drop, Join FHA."

— N. Jones

"Don't be fooled, Stay in school... Be cool... Join FHA."

— T. Walker

The Peer Counselors do all that they can to help their fellow students with the problems that they may face.

Peer Counselors

"Helping to lead the way down life's troubled paths."

— P. Bryant, Senior

Spanish

"The Spanish Club is an excellent opportunity to learn about different people and their culture. If you like to eat tacos, you'll probably like the Spanish Club."

— C. Swint

"The Spanish Club is a great place to learn about different cultures and have fun doing it."

— S. Rigby

The Spanish Club allows students to be acquainted with the Spanish culture and makes this experience enjoyable.

LATIN

"Knowledge is what we seek."

— R. Fleming

"Latin club gives me an opportunity to go eat at El Sombrero."

— M. Patel

President — L. James; Vice President — T. King; Secretary — C. Rhyne; Treasurer — D. Sigmon; Sgt. of Arms — C. Parkerson; Project Chairman — N. Vickery.

The Art Club helps students to show their creative side. They also sponsor the Womanless Beauty Pageant.

ART

"The Art Club is a great way to get experience in art. It is also a good way to meet new friends that have the same talent. I have made many friends being in the Art Club."

— A. Cochran

The Drama Club lets students experience with their acting abilities and express their emotions.

DRAMA

"The Drama Club has been a fun and educational experience. It expands your imagination and increases creative ideas."

— J. Cowan

LEO

"I really enjoy the Leo club and working with the blind kids. It's a great pleasure to be helping out people who are less fortunate than me."

— M. Spencer

The Leo club has been fortunate to spend time with the children of the Blind Academy in Macon.

PEP

"Pep Club makes me feel good about myself and my school."

— G. Weaver

"There is always something good going on in the Pep Club."

— B. Weaver

The Pep Club helps to keep the spirit at Southwest. Many join the Pep Club in order to be a vital part of the Southwest spirit.

The Science club participates in Christmas tree recycling, school beautification, and also the Science Fair.

SCIENCE

"The Science club is not a regular club. We are a service club. Not only do we help our community and city, we help the earth."

— K. Styons

The Computer Club keeps the cumulative record of all baseball statistics and they decorate classroom doors for American Education Week.

COMPUTER

"The Computer Club is top key."

— A. McElhanev

"We're stroking keys to higher technology."

— R. Whitby

MONTAGE

"The Montage is an organization that gives students a chance to express their thoughts through poems and pictures. We are able to free our minds, express our feelings and be ourselves."

— D. Thomas

The Montage encourages the use of the student's imagination. It is a place for self-expression, individuality and creativity.

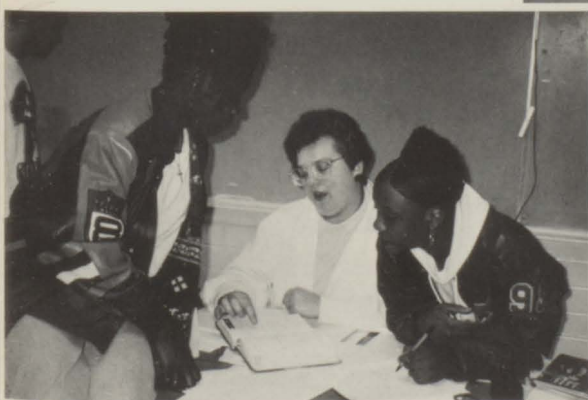

Patri-Article

"As a Senior of '94", The Patri-Article gave me the opportunity to express my feelings on certain issues of importance. I have fully enjoyed these past two years and I wish The Patri-Article the best when I go on and pursue a career in journalism."

— K. Collins

The Southwest newspaper, The Patri-Article, reports the activities and talents at Southwest High School.

TAP is a very inspiring positively motivated club. It discourages sexual activity as a teenager.

TAP

"To be a positive role model as a TAP member makes it possible to be an achiever instead of a failure."

— A. Jackson

"To always be a leader in all you do makes you successful, and TAP is leadership and success."

— C. Warner

A. McElhaney, D. Whitby, C. Heath, T. King, S. Murphy, L. Harper are collecting Halloween candy for the Children's Hospital.

Y-CLUB

"Y-Club, through school and community service projects, tries to make our community a better place in which to live."

— T. King

SADD

"The Sadd club is dedicated to promoting an alcohol free and drug free Southwest."

— T. Glover, Senior

Students Against Drunk Driving encourages Southwest students to stay sober.

SWTV

"SWTV is an inovative new way of getting news quickly to the students."

— A. McElhaney, Senior

"We with SWTV have had an enjoyable time instigating this new club. We have learned much concerning news anchoring, reporting, and film editing."

— D. Sigmon, Senior

Southwest Television has created a new and interesting way of relaying campus news to the students and teachers of Southwest.

T. Clark — President; T. Hall — Vice President; T. Goolsby — Responding Secretary; K. Collins — Secretary; F. Dent — Treasurer; C. Causey — Reporter; C. Parkerson — Regional Reporter.

FBLA

"FBLA is a club that I feel everyone should take part in. It teaches the young people of today that they can be any and everything that they want to be. It's the best school organization we have."

— A. Glover

Led by Eric Thompson, the Future Farmers of America plan to beautify the Southwest campus during this school year.

FFA

"The Future Farmers of America cleaned up around the Ingleside Park and then we played football."

— R. Fleming

VICA

"94 SHOT!" — D. Sandifer
 "94 — Just Doin' It" — D. Williams
 "Go Girlfriend!" — C. Williams

VICA stands for Vocational Industrial Clubs of America. Each students excels in vocational technology.

VOCA

"Voca club gives me the opportunity to go places and meet new people." — K. Simmons
 "Voca club is a new beginning for me and is helping me become a more mature adult." — R. Gordon

Voca club helps these exceptional students to prepare for the future.

Students in the Deca organization participated in the DARE role model project. They worked on Christmas displays in the lobby of the Vocational Building and they attended the Deca Fall Leadership Conference in Jekyll Island.

DECA

"The Deca Fall Leadership Conference held on Jekyll Island was a very fun experience. We learned a lot about team work. We met a lot of new friends. Deca shows you how to meet the Global Challenge."

— A. Thompson

The Cosmetology Club does work throughout the community and continues to help families during the Christmas Season.

Cosmetology

"Last year we bought Christmas presents for two children whose mother has AIDS. It means a lot to me to help the kids."

— T. Davis

"We try to reach out to the community and in turn we participate in activities."

— K. Chatman

Mu Alpha Theta

"Mu Alpha Theta is an honor organization for outstanding juniors and seniors in math. But, it is also a service and tutoring club."

— D. Sigmon

"Mu Alpha Theta has been a very interesting club. It is a great honor to be in the club and to be part of such an honored organization."

— M. Patel

Mu Alpha Theta is a prestigious organization at Southwest High School. It is a way to honor students who excel in mathematics.

Math Team

"Math Team is a union of those who excel in mathematics at Southwest. Our great speed and accuracy in mathematical skills help us to compete against other schools in the region and display the mathematical talent that Southwest holds."

— M. Hamlin

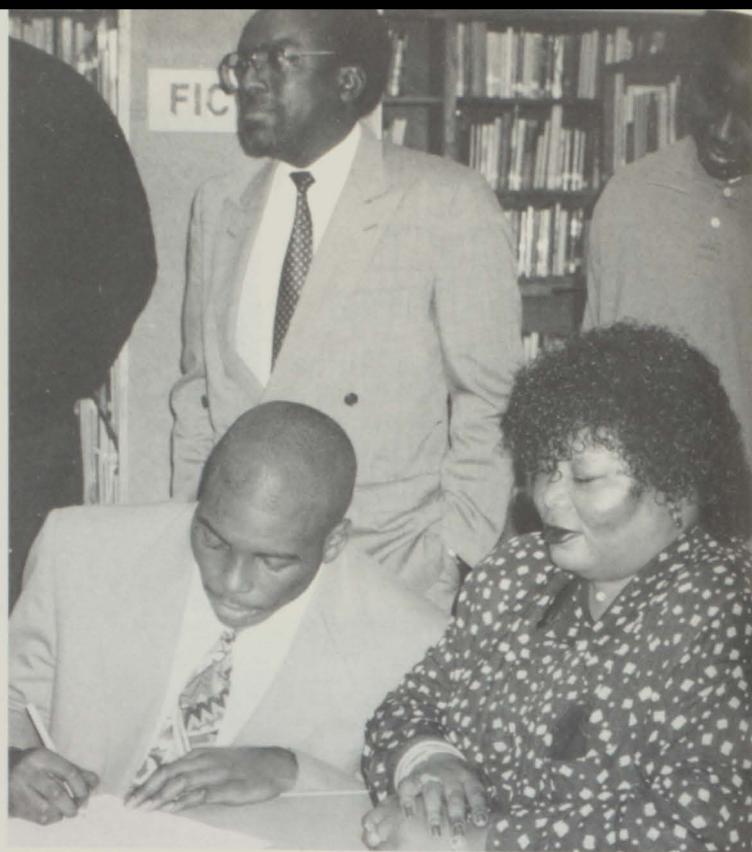

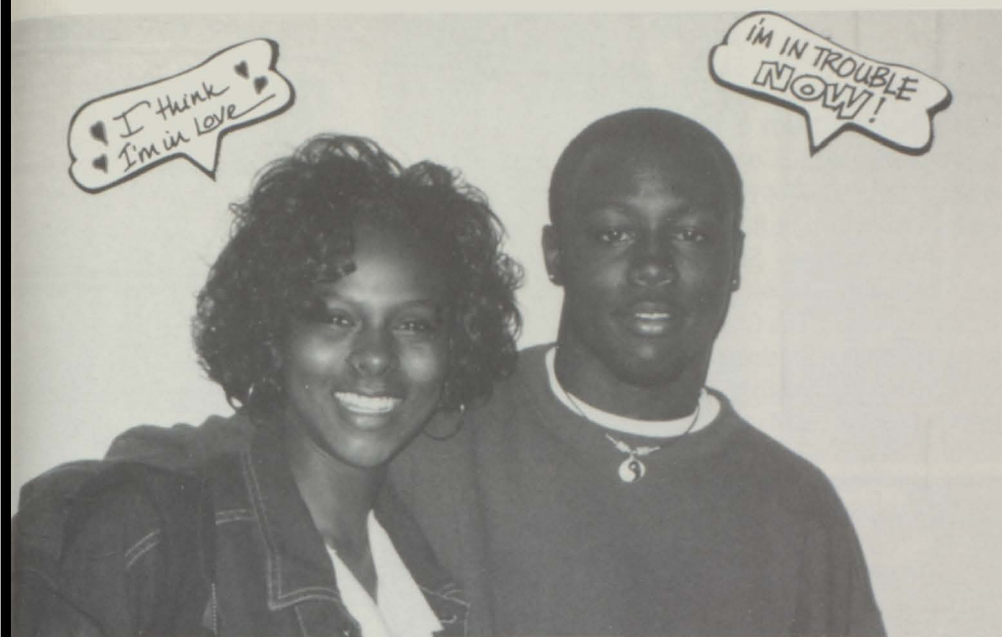

Math Team members prove their mathematical ability during competitions at various schools.

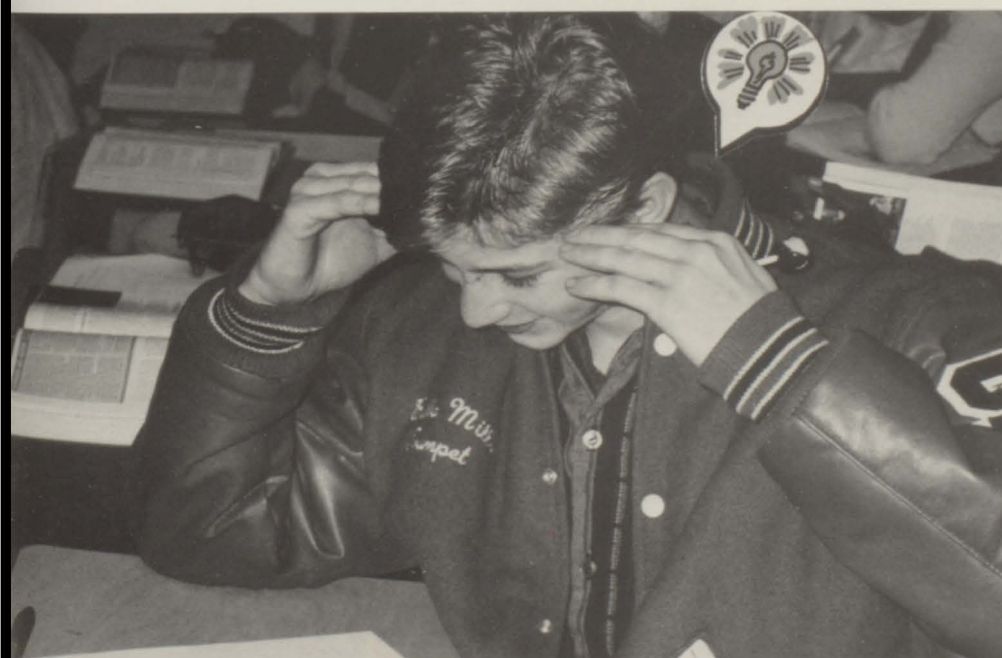

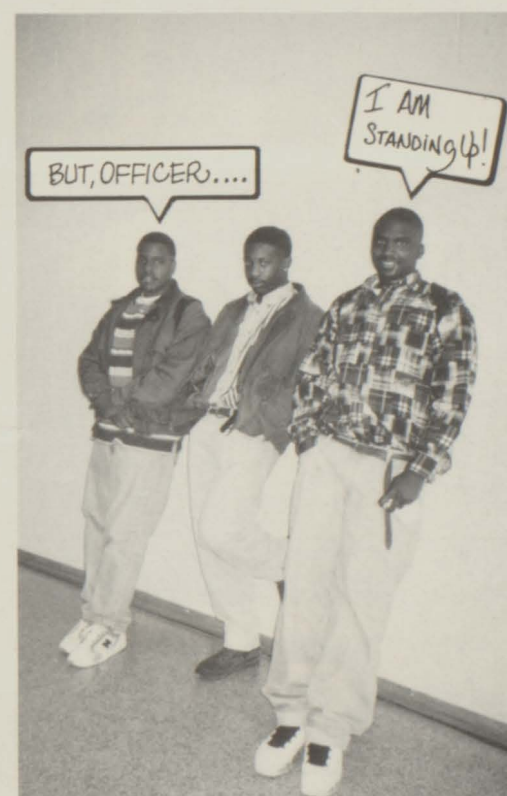

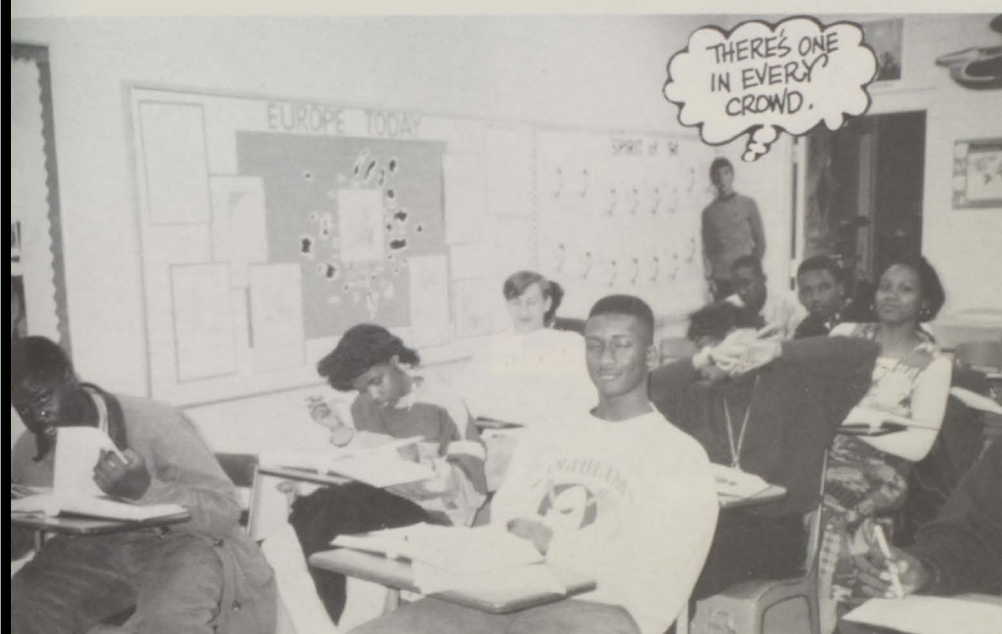

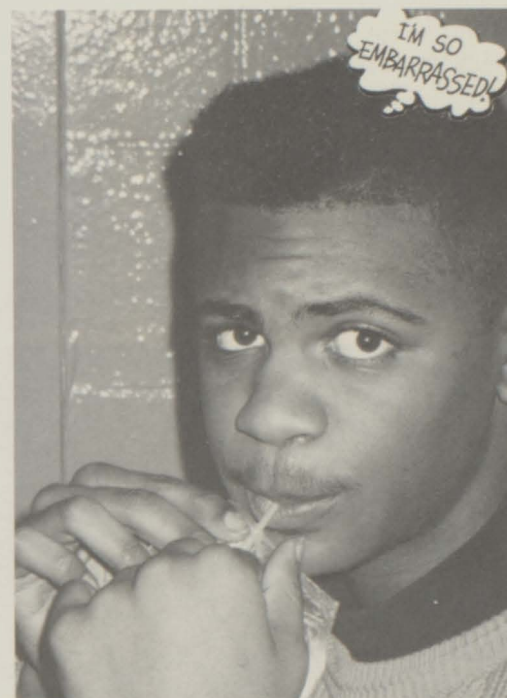

Atheletes Signing Day!

Southwest Super Stars

Southwest's Star Student is David Sigmon. David chose Ms. Judy Moore as his Star Teacher. Ms. Moore teaches AP Calculus and advises Beta Club.

Besides being one of the top three students in the Senior Class, David is active in Beta Club, SWTV, and served as an attorney for the second time on the Mock Trial Team.

David is very busy with his church, too. He is excited over his acceptance to Brigham Young University in Utah and his upcoming Church Mission.

Top Honors also go to Lashonda James, who ties David for the #1 spot in the Senior Class. They are followed closely by Chris Parkerson in the second place rank.

SPRING

Ah, Spring! The leaves returned, the flowers bloomed and pollen filled the air! However, a different feeling filled the halls at Southwest. Pollen blowing in the open windows and circulating the classrooms as fans oscillated was no longer a problem. Let them mow the lawn during classes! We didn't care. Our walls were solid, our windows gone.

Spring semester was business as usual. Baseballs

were thrown onto the fields. Soccer balls were kicked around. Juniors planned the Prom and Senioritis set in for sure as the lake began to beckon.

With May came AP exams and our first Memorial Day holiday. Yearbooks arrived and the Class of '94 had their Signing Party. Soon it would be June and we would all abandon Southwest for another summer. As the

Seniors cross the stage and receive their diplomas they know they were the first Totally Cool class at Southwest High School.

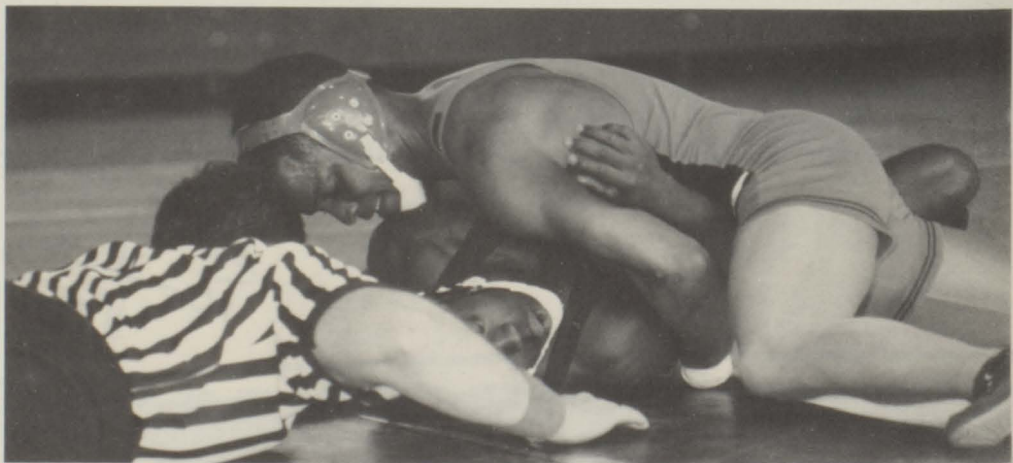

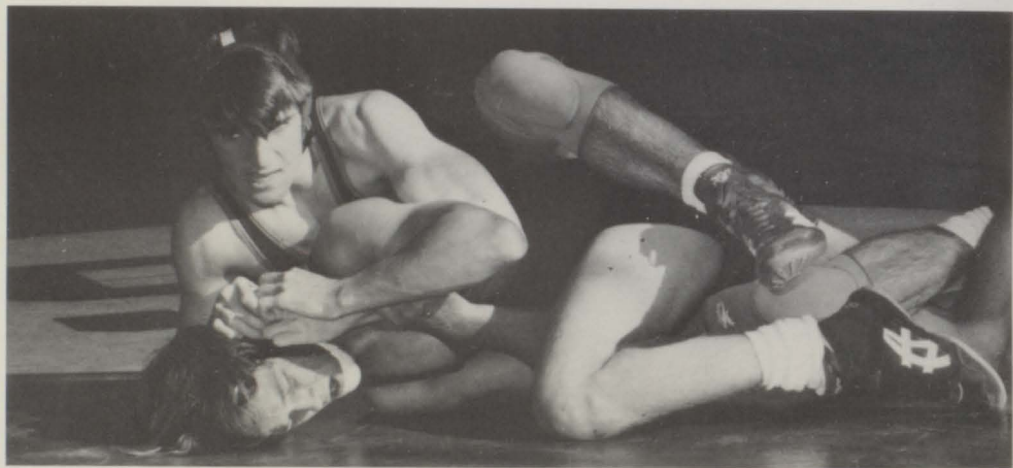

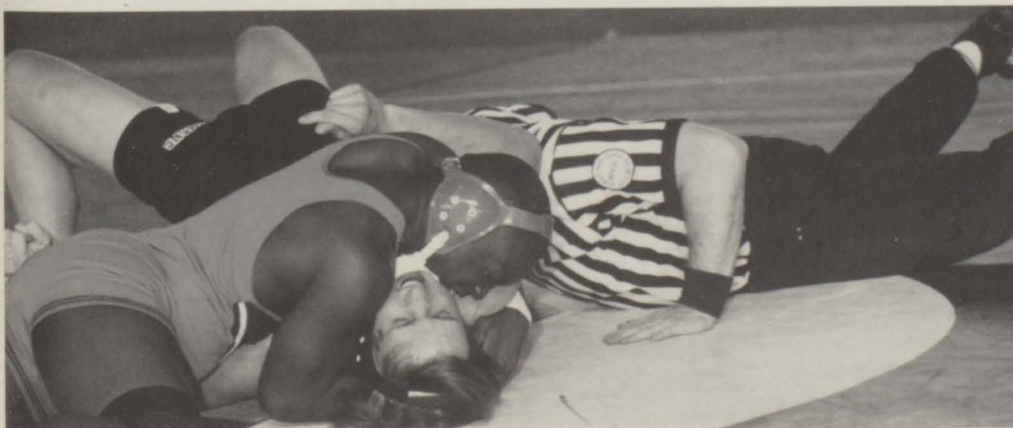

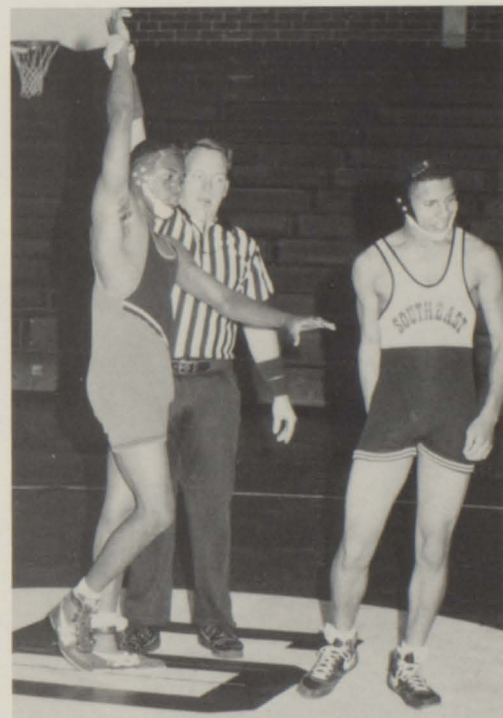

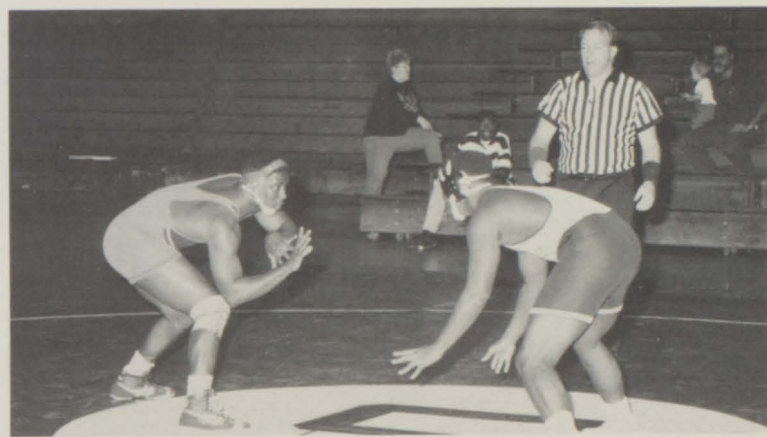

WRESTLING

Wrestling made a change for the better with the addition of a new 220lb. weight class, which reduced injuries to wrestlers. However, this new weight class was a problem for Southwest since it was one of the six weight divisions which could not be filled. Although few in number, SW did not lack the skilled wrestlers needed to rack up the team points to defeat other schools who were able to fill every weight class.

The individualism of the sport was clearly defined by the winnings of the Southwest wrestlers. Due to the number of forfeits the team had to make an extra effort to pin their opponents. Because of this extra effort the team as a whole was still able to claim eighth out of the fifteen schools in the area.

Four wrestlers succeeded in going to the state wrestling tournament. These were Keith Swint, Benny Smith, Alton Ford, and Reece Sheikholeslam. Next year Coach Howe hopes to have more participation in the sport and thinks that if this is achieved then Southwest could be the power house it has been in previous years.

Thompson is victorious. J. Jackson is close to a pin.

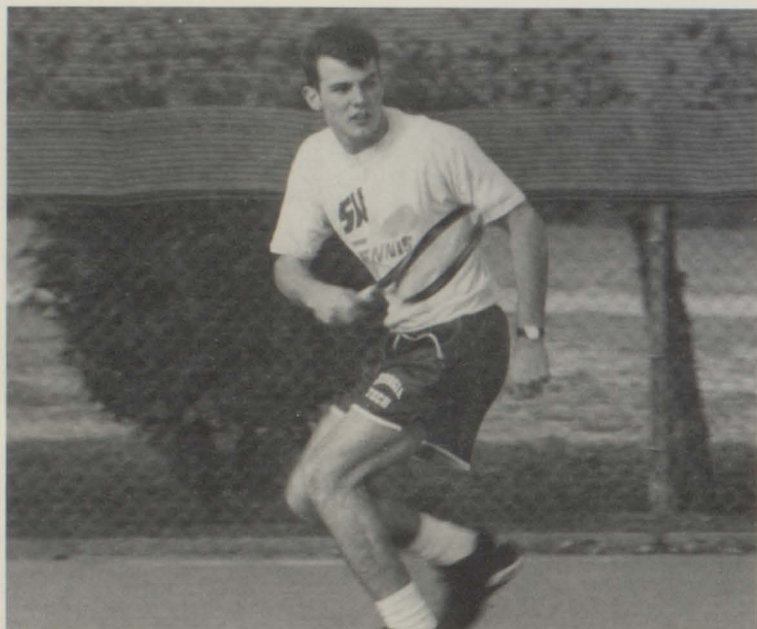

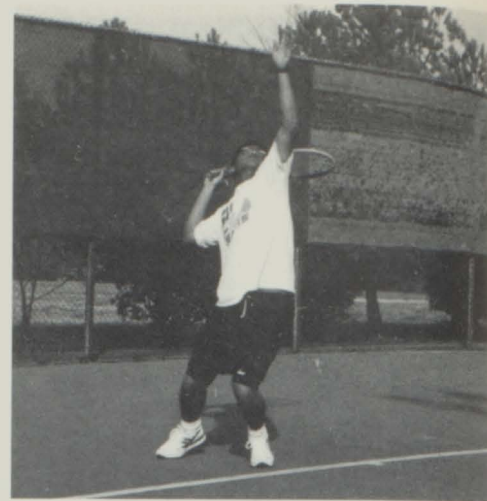

VARSITY TENNIS

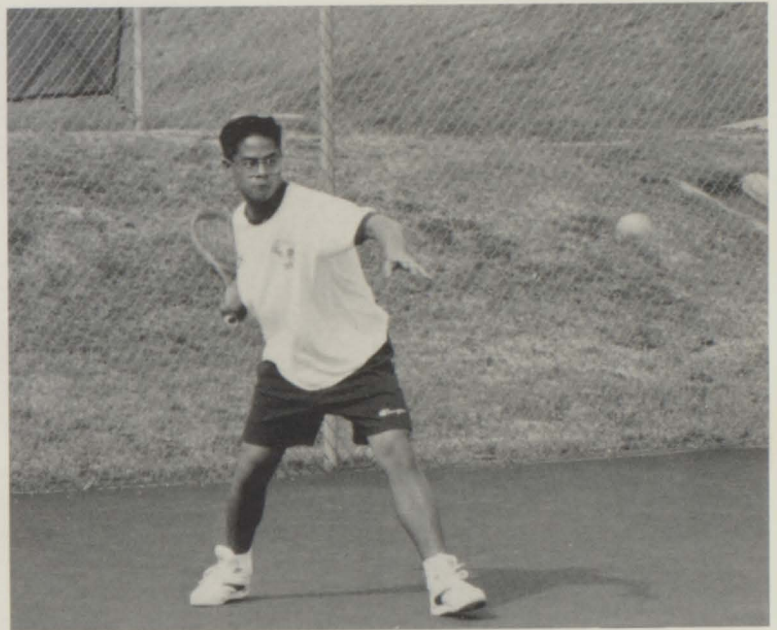

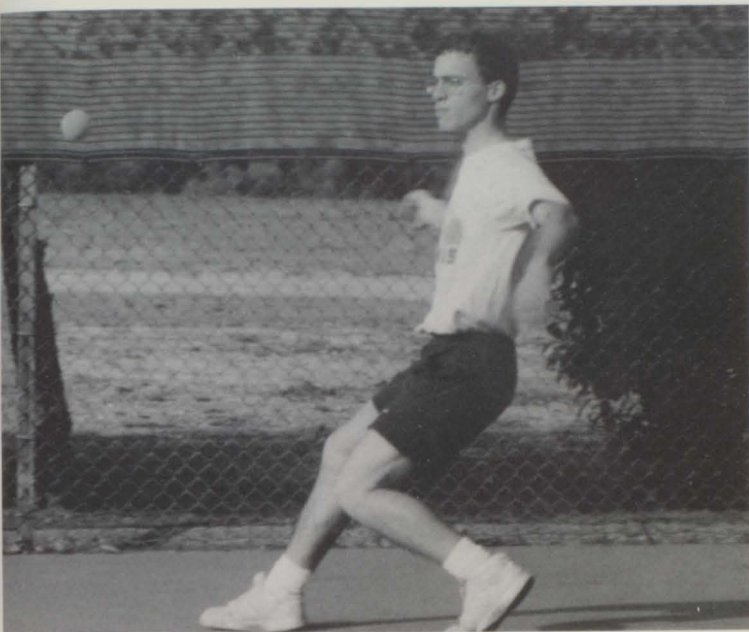

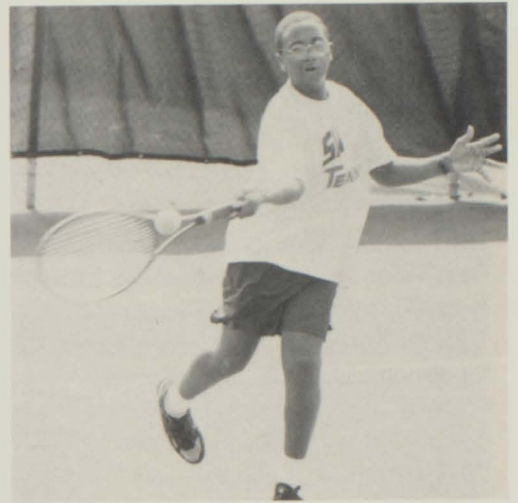

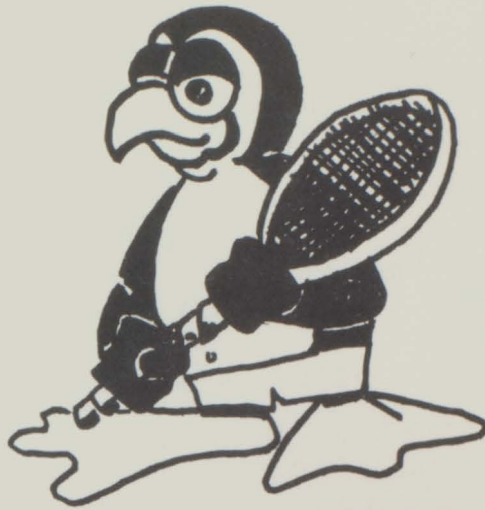

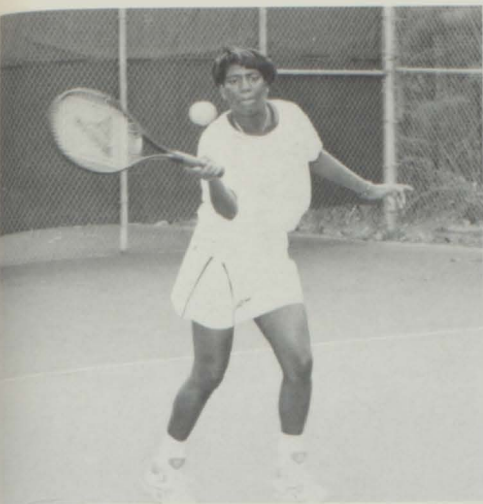

Anxious to return to the courts the tennis team began dedicated practice with the first hints of warm weather. With several seniors returning to both the boys' and girls' teams, the season had a very bright outlook.

Last year the girls' team battled a lack of players to compete against other schools. They did very well considering the size of the team.

Coach Iris Hill hopes to recruit some young players for the future.

On the other hand, the boys' team was well prepared and packed with talent. Several members dedicated all of their high school years to the team. The result has been winning seasons for the past three years, and this season looks to be no different.

In Memory Of

Carolyn Lawson Johnson

Teacher and Friend

She Is Not Dead

I cannot say, and I will not say
That she is dead. She is just away.
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since she lingers there.
And you-oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of her faring on, as dear
In the love of There as the love of Here.
Think of her still as the same. I say,
She is not dead-she is just away.

James Whitcomb Riley

Carolyn was our friend. We loved her.

She could make you laugh, cry, learn and wonder. She could talk to you with the knowledge of the greatest teacher or get down on anyone's level. She could fit in anywhere.

She was a friend, a next door neighbor, an animal lover (especially dogs), a fisherman, a naturalist and a believer in rights ONLY with responsibilities. She was an honest, caring human being. Until the day she died, she *did* for others. Some will never know her. We are glad we did.

Carolyn, we love you. Rest in peace, our friend. And, hey, don't catch 'em all!

Soccer

The Southwest Soccer team began the year with a total of eleven rookies and seven returning starters. This team, no matter how inexperienced, has turned out to be one of the best teams at Southwest. After losing to Central in the first game of the season, the team rebounded with high spirits in a win against the Southeast Warriors. The Patriots had to overcome the injuries of two starters in this win.

Although struggling through serious injuries and violent tempers, the Southwest Soccer team managed to pull together with dedication and pride. Coach, Robert Fightmaster, has led the team to a successful season.

Our champions shooting for the top

The Lady Patriots finished the 1993-94 season with a record of 24 wins and 3 losses. In the games which the Patriots did not win, the margin of loss totalled only 21 points.

Southwest won 15 games by 20 points or more
9 games by 30 points or more
5 games by 40 points or more
3 games by 50 points or more
3 games by 60 points or more and
1 game by 72 points!

OUR OWN OLYMPIAN

Southwest has a history of producing outstanding athletes. Basketball stars such as Jeff Malone, Miles Patrick, and Norm Nixon are well known. However, international attention came to one of our former Patriots, when **Chip Minton** was chosen to be on the '94 Olympic Bob Sled Team. Chip is also married to SW teacher, **Dannah Graham Minton**. Chip went to tryouts here in Macon. Once he made the cuts, he went to Calgary to practice. In Lillehammer, Norway Chip competed in the two-man team. Although Team USA did not bring home any medals, SW is proud of Chip and his fine efforts as a Patriot and an Olympian.

Totally Through

As we look back over these short months that we have been putting the **Spirit of '94** together, we realize that a lot of things happened this year. We set the book up by seasons so that the final product would have a chronology, much like a history book. In January, as we approached our final deadline, we realized we needed more pages. Luckily, we were able to do this since the staff met all deadlines on time.

So, it's over for the Class of '94. And

most spirited supporters. We will certainly miss her.

The Class of '94 made preparations for graduation. We ordered caps and gowns and invitations. Some of us prayed we'd pass English. In May, the **SPiRiT OF 94** arrived. Seniors laughed and shared memories as they signed each others' Yearbooks in the special Senior Signing Party. We watched the Juniors take the new Exit Exam and prepare to take their place as the Sen-

the Patriots had a lot to get "fired up" about. Air conditioning, Semester System, both brought moments of frustration, but we kept our "cool" anyway.

Student Council revived Spirit Stick competition and the classes wore colors, decorated doors and cheered with each

ior Class of '95. We reflected upon the many things our friends, families, and teachers tried to tell us as they steared us toward our **MO-MENT** in **JUNE**. Finally, graduation night arrived. There were so many memories flooding our minds as we put on our academic regalia

other. Spirit was alive and well as the Lady Patriots went to their first-ever State Basketball Championship. **Latavia Coleman** was chosen to play on the State All-Star Team. We added pride to our spirit as we watched former Patriot Chip Minton represent the United States on the Olympics Bobsled Team.

We said good-bye to friends like **David Reid**, as he moved to his new position as Principal at Weir School, and to **Jackie Richardson** who retired. Many of us remember Mrs. Richardson as one of Southwest's strongest and

and marched into the Coliseum. It was an emotional time for us as we realized that this would be the last time we would do anything together as a class. We also realized that this was the moment we has worked for the past twelve years. It was time for the Class of '94 to move on and the Class of '95 to step into their place as the Senior Class.

As we took our diplomas and left the auditorium for our various celebrations, we, **THE CLASS OF '94** are gratefully, finally, and at last... **TOTALLY THROUGH!!!!**

Whatever Is — Is Best

I know, as my life grows older,
And mine eyes have clearer sight,
That under each rank wrong somewhere
There lies the root of Right;
That each sorrow has its purpose,
By the sorrowing oft unguessed;
But as sure as the sun brings morning,
Whatever is — is best.

I know that each sinful action,
As sure as the night brings shade,
Is somewhere, sometime punished,
Tho' the hour be long delayed.
I know that the soul is aided
Sometimes by the heart's unrest,
And to grow means offer to suffer —
But whatever is — is best.

I know there are no errors,
In the great Eternal plan,
And all things work together
For the final good of man.
And I know when my soul speeds onward,
In its grand Eternal quest,
I shall say as I look back earthward,
Whatever is — is best.

The 1993-94 school year has been a very hectic but interesting year. The Spirit of '94 has finally been completed and my Senior year is almost over. Though I have had many mood swings, I am happy to admit that I hurt no one. It's been FUN, it's been REAL, and *finally* I'm outta here!
